NEWSLETTER OF THE EVANSVILLE BICYCLE CLUB, EVANSVILLE, INDIANA

"The bicycle has a soul. If you succeed to love it, it will give you emotions that you will never forget." —Mario Cipollini

## Paul Jensen The President's Corner

The end of April ended with a bang as 31 riders rode in the Bill & Kathy Voegel sponsored ride Pedalin in Paradise. It was an outrageously beautiful day and the food, drink and camaraderie was absolute terrific. Bill Majors won the Tree naming contest. What a great way to open the cycling season.

Thank you so much Bill & Kathy. As promised, this month started our busy season and the Harmonie Hundred sort of set off the month with a sketchy Saturday but a fine Sunday. Club rides were quite active because of the wonderful, and even hot, days. On one Tuesday the a.m. ride was larger than the evening, and that doesn't happen often.

Seven EBC members successfully completed the LAB sponsored **Traffic Skills 101** course and are looking forward to the Instructor course in the near future. Twenty six EBC members participated in the **Ride of Silence** along with fifty four other concerned citizens adding up to a grand total of eighty riders, doubling last year's total. The "Wurst ride" was on Saturday the 19th and many EBC riders were part of the record number of riders (212).

The ride begins with everyone going the same way and at the first intersection some turn right some ride straight ahead and a bunch turn left. Two hours later most everyone had returned and was eating a bratwurst, grabbing some chips, claiming an orange or apple plus a beverage.

On top of that, Dan's Comp was awarding gift certificates with Bill Voegel claiming a \$50.00 certificate and yours truly one for \$25.00. In addition Dan's was giving to each and every rider tote bags. **FREE** is good! Soon after lunch, a bunch of us went to **Marrs school and held a rodeo** from 1:00-3:00 pm. Thank you volunteers. Our participation in these events is rewarding not only for the participants and their parents, but for the EBC folks in that we are providing a valuable positive education to an enlarging population depending on bicycles to get them from point A to point B. The Senior Games were held on Sunday the 20th and nine of the eleven riders were from EBC.

**Collette Loehrlein** won both the 5 & 10K time trial with **Diana Holland** winning the 20K road race for women. On the men's side, **David Kuykendall** won both the 5K and

10K with **Curt Jones** winning the 20K road race by a hair over **Archie Carter and Randy Feller**. Even though there was one heat of men and one of women, the competitors are classified by age groups for every five years so there is a chance that one might not have won the heat, but may have won his/her age division. Other competitors representing EBC were **Cindy Jones, Becky Kuykendall and Hank Hudson**.

## Paul Jensen The President's Corner

EBC is making an effort to assist in the successful conduct of the First Annual **River City Bicycle Classic**, professional bicycle racing, being held at Garvin Park. Our local team (Guitar Lab) is hosting and competing. It is slated to begin at 10:00 a.m. with races going on throughout the day. EBC will be participating conducting a rodeo from 10:30 a.m.-12:30 p.m. We will also be maintaining a booth handing out information about the club. We could use two people to maintain our booth to answer questions about the club and

we need about eight members to help conduct the rodeo. Another brand new event this month will be the Evansville Streets Alive on June 23 from 11:00 a.m.--3:00 p.m. We could use 8 volunteers to help us with the rodeo plus two volunteers to maintain our booth in two shifts 10:45 a.m.—1:00 p.m. And then from 12:45-3:00 p.m. In addition EBC will begin the successful kids' rides on Wednesday mornings that were started last year. Read Keith Weyer's article and note the locations in the calendar.

Dear EBC,

As you are reading this I am most likely riding, or have just finished riding, a century around Lake Tahoe as a fundraising event for the Leukemia and Lymphoma Society. Thank you to all the people who have ridden with me while I have been training. I appreciate all the tips, support, and encouragement more than I can express.

Thank you also, EBC, for the donation you gave to the Leukemia and Lymphoma Society.

## EBC KIDS CORNER

### WEDNESDAY MORNING KIDS RIDES IN JUNE!

Keith Weyer - Youth Cycling Director

Our Summer Wednesday Morning Kids Rides will begin in June! Please note the following guidelines:

Wednesday Morning Kids Rides will start at 9:00 a.m. and rotate weekly between Garvin Park & Wessleman Park during the months of June & July. See the Ride Schedule in the Newsletter for Details!

Youth Cyclists will receive a minimum of 10 miles for participating. Youth Cyclists must be accompanied by an EBC Member Parent or Grandparent. Parents may not just drop their Kids off and leave. Helmets are Required!

Any EBC Member is welcome to participate in the Weekly Wednesday Kids Rides. EBC Members will receive Mileage Credit for miles ridden with any of the Youth in

attendance, i.e. the same mileage that the Parent or Grandparent will receive for riding with the Youth. The Kids Rides will be ... "All About the Kids!"

We find the parks to be GREAT venues for these rides as the Kids can take advantage of amenities such as short circuit routes, partially shaded routes, the Greenway Passage, the Wesselman Nature Preserve, lakes, playgrounds, and slow moving vehicle traffic both during and after the rides.

Our monthly Saturday morning Dogtown 12 Mile No-Drop Ride is another Great Ride for Youth Cyclists. Youth Cyclists can also ride with a Parent or Grandparent at any time, on any route deemed SAFE by their parent, and may submit those miles toward a Youth Mileage Award. See the link to Youth Cycling on the EBC website for details: <http://www.evansvillebicycleclub.org/youth-cycling> If you have questions please contact Keith Weyer at: [tkweyer@sbcglobal.net](mailto:tkweyer@sbcglobal.net)

## club ride notes....

### June 2 Morning Ride

Greg Meyer, EBC member, local attorney, and cycling advocate, has been working hard on new bicycle routes for the Warrick County Commissioners in the Bluegrass area. They will be "unveiled" on Saturday June 2 at 9:00 AM. There will be some press there. He would like to have many cyclists there to show our support. Please come in your EBC jersey if possible to show our club support. There will be a very short ceremony beginning at 9:00 at the corner of Boonville-New Harmony Rd. and Zoar Church Rd. Then cyclists will be free to ride any or all the designated routes, 36 miles total. There are 4 routes all on paved county roads. The routes extend like a clover leaf, each roughly 9 miles long with mostly right turns. The central trailhead at Boonville-New Harmony and Zoar Church Road intersection has a large sign with the map of the routes. Smaller road signs have been installed on the roads to identify each route by number and color. Please come support this event.

## RACING RETURNS TO EVANSVILLE

The River City Bicycle Classic to take place in Garvin Park June 9, 2012

The River City Bicycle Classic criterium is set to take place in Evansville's beautiful Garvin Park on June 9, 2012 as part of Evansville's Bicentennial celebration. Evansville's own cycling team, Team Guitar Lab, is pleased to be coordinating this exciting event along with community sponsors and volunteers.

More than 200 professional and amateur cyclists from around the midwest will be descending on Garvin Park for a series of eight high-speed races and competing for cash & prizes. There will also be a celebrity and kid's race. The event is free and open to the public. Racers can register at [www.truesport.com](http://www.truesport.com).

The River City Bicycle Classic is a criterium-type cycling event. Criterium racing is purely American and one of the most common forms of competitive cycling in the United States.

Designed for spectators, criteriums are races held on short circuits, typically in an urban setting.

The .7 mile closed course features several corners and give spectators the opportunity to view the race from most locations in Garvin Park. In criteriums, the pace is fast from the start as riders average up to 30 miles per hour for the duration of the race. Quick acceleration and keen bike handling skills are paramount to success. These races often end in field sprints and typically a sprinter with the fastest finishing kick will win.

The all day event begins at 10:00 am will feature local restaurant food booths, live music, kids entertainment, and exhibits. It is free and open to the general public.. The Evansville Bicycle Club will also be hosting a kid's bicycle rodeo teaching bike safety. There will also be kid's races for ages 2 to 12. Each participant in the bicycle rodeo and the kids race will receive a free bike helmet. The event will benefit the Boys and Girls Clubs of Evansville. For more information email: [info@rivercitybicycleclassic.com](mailto:info@rivercitybicycleclassic.com)
