The President's Corner

By the time you receive this message there is a good chance the 31st annual GPM (Great Pumpkin Metric) will be history and we will be looking forward to #32.

The weather forecaster calls for almost perfect conditions. This past Sunday was the pre-Pumpkin ride for club members and it was near perfect. The scenery was beautiful with warming sun and zero wind. As we ended the ride refreshments were provided by our good friends from Gilles Cycling and Fitness.

Please note that along with the month of October comes changes in our calendar as we "fall" into our autumn/winter schedule.

Make sure you take a peek at the calendar page for these changes. Also in this issue you should notice that there is a new all time EBC record at the top of the yearly mileage chart as Bill Voegel has ridden well over the 10,000 mile mark and with three months left there is no telling what the final number might read. Congrats Bill!

In the last "President's Message" there was mention of how European Driver's Education programs emphasized the importance of cyclists on the road and to show respect. Well Indiana has made a start in that direction in the newest BMV Driver's Manual educating motorists how to navigate roads with bike lanes and share the roads with cyclists. Not exactly the same, still a positive move.

Along with the four new Blue Grass marked bicycle routes in Warrick County has come much improved roads with

patching of deep holes along with major new chip and seal improvements on Zoar Church Road and Stevenson Station Road which cover routes 1 and 2.

Try them out!

Cheers,

Paul

Evansville Bicycle Club, Inc. Mission Statement

The Evansville Bicycle Club Inc. is an organization formed to promote bicycling in the Tri-State area. We advocate bicycle safety and education in our local communities by participating in and supporting health, fitness and cycling activities. The club provides the opportunity for cyclist of all ages and abilities to partake in cycling activities on a regular basis by offering a variety of rides weekly.

EBC KIDS CORNER

EBC YOUTH COOKIN' AT THE GPM!

By Keith Weyer

Jane Buchta directs EBC Youth Ashley Whitaker with Brock and Audrey Weyer in "Ronnie Lee's Spaghetti Factory!"

NOT ONLY were our EBC Youth Cookin', they played a major role in many aspects of another fabulous Great Pumpkin Metric. In the wee hours of the morning Ashley Whitaker, along with Brock, Audrey and Brett Weyer could be found assisting with registration envelopes and handing out accompanying shirt bags. During lunch our Youth Cyclists ensured plates, napkins & utensils were available, kept the bread stocked, and

filled chili bowls in the Spaghetti Assembly Line. In the afternoon these Youth Cyclists, along with youth Alden Nance, folded, collected and stacked ALL the chairs in GPM pavilion. Other than a few minor snags like the Kids not having the union cards Gary wanted to see, and their eating more donuts & ice cream than ANY Kid should be allowed to eat, it was a truly remarkable effort by our Youth Cyclists, contributing to "their" Evansville Bicycle Club!

CLUB RIDE NOTES-

OCTOBER 2012

Where did all the rides go??

We are down to only weekday, weekend, and Wednesday night rides. Please consider joining us on a ride of your choice soon!

BEWARE!!

Because of the season change, we have also changed the start time of many of our rides. (Especially Saturday morning and Sunday afternoon.) Also, our Saturday rides move around quite a bit this month. Please consult the schedule for details.

We do have a HOSTED RIDE at the end of the month. Please read about Judy Breivogel's Big 50 Birthday Bash. It is a different format than most. The hosts are planning a celebration! Come ride at 2:30 or 3:00 depending on your speed. Plan to finish 24 miles at 4:30.

Circuit Rides with Dinner After Ride

Circuit rides may seem boring in concept but it is really a great ride! We ride circles around the parks. The great part is that even if you can't keep up with the other riders or if you want to go a bit faster, it isn't far to the next rider at any time. You must have head lights and tail lights but they are cheap at discount stores and very reasonable at bike shops. There is minimal traffic in the parks at night also. Please note we have added dinner after our Wednesday night rides. Everyone is welcome to join in on the ride or even just come for dinner. JOIN US FOR FUN! This is a great opportunity to enjoy the company of fellow bikers. We have already chosen a venue for our dinner and shown it on the calendar.

October 6

Club NO DROP ride

Our No Drop Rides will end for the winter after October. Please join us for a social ride from the Dogtown Boat Ramp to the bridge and back. This is a great way to promote cycling by being friendly and supportive of our guests. Be there a bit before our 9:00 start time,

please. Bring your friends and children! This is a fun ride. Stay around for the additional 23 mile ride if you can. Then feel free to go eat at the Westside Nut Club Fall Festival. You will have earned that yummy food!

October 11

Evansville Bicycle Club Meeting

We meet monthly on the second Thursday of the month at Pizza Chef in Newburgh on the east side of Highway 261 between Sharon Rd. and Lincoln Ave. All members are welcome and encouraged to come. This is your club, come see what is being discussed and add you opinion. We want you! Dinner during the meeting is an option! Why cook, just come to the meeting and eat at Pizza Chef.

October 13

Lyles Station New Beginnings Bicycle Ride

This ride was originally scheduled in September but got rained out so they have rescheduled the ride for Saturday Oct. 13. Proceeds from this ride go to the Lyles Station School Historical Assn. to help operate their after school tutoring program for grade school and high school students needing extra help with school work. You have a choice of the 20 mile, 45 mile and 100 K (62 mile) route. They will have rest stops and sag vehicles available. Consider coming out to the Princeton area to explore some new well paved, lightly traveled roads. Check out the website for more info! Lylesstationbicycleride.webs.com

October 20 and 21

Hilly Hundred Weekend

If you like hills this is the ride for you. There are new routes this year. On Saturday the route is 57 miles and only 43 on Sunday. I did look at the route and Mt. Tabor and Beanblossom hills are both on Sunday's route. What fun! Check out the website for more info! www.hillyhundred.org

October 27

Beer Ride

This event sounds most interesting. It is billed as the ride that thinks it is a party or the party that thinks it is a ride. This could be a good time if you like beer. It is held annually in Columbus, IN. There is a discounted registration fee if you

rode the Hope Ride or the Girlfriend Ride. There are fun activities starting at 10:00 that morning including Beer-A-Okee, a costume contest, and a wet jersey contest. It appears the party continues at the bar after the ride. Check it out at www.beerride.com

October 28

Judy B's Big 50 Birthday Bash

There is an article in the newsletter about this ride. However, it failed to mention that costumes are encouraged. It is the day before Judy's 50th birthday and the start of Halloween week! Come in costume if you can ride in your costume or slip into costume after the ride. What fun! Come celebrate at Diane Bies' home, 624 Greengate Ct. 47715. Two start times are being offered so everyone can finish at the same time. Ride time is 2:30 or 3:00. Party fun at 4:30. For more details read the article.

Remember to wear your EBC jersey on Sundays if possible! If you still need one, we have them available. Club Jerseys In Stock - contact Darlene Wefel at dwefel@wowway.com or call 812-568-9828. Short Sleeved Jersey's \$60, Sleeveless Jersey \$60 (limited quantities), Long Sleeved \$65, and Bike Shorts \$50. We have both women's and men's in stock.

Hosted Rides

Ride Hosts needed. Anyone interested in hosting a ride, please contact Diane Bies, at Biesdi@aol.com to get the ride on the calendar. It would be great to have more hosted rides. They are fun to sponsor and fun to ride. If possible, please contact Diane by the middle of the preceding month so the calendar can be built around your ride.

Don't let a little cool weather keep you off your bike! There are several club members who ride all winter and survive even the coldest nastiest weather. Actually the fall is the best time to ride as the leaves are beautiful and the air is clear and so much easier to breath! Just ask anyone at a ride if you need help with how to dress and what gear you need. Think in layers and you should be fine.

No matter how far, no matter how fast, KEEP ON RIDING!!!

JUDY B'S BIG 50 BIRTHDAY BASH

It is happening on October 28 at Diane Bies' house. It is going to be fun! You should come help us celebrate another cyclist joining the over 50 group. Halloween costume optional!

Judy Breivogel is one great cyclist! She is also a great person! For years we have been very close friends sharing many fun times together. I couldn't let the chance go by to host a ride to

celebrate her birthday which is actually on Monday October 29, 2012. Because this is a birthday bash we are going to do this ride a bit differently. There will be two start times so hopefully everyone will finish at close to the same time. And we have a designated fun and food time for anyone who cannot ride but wishes to come wish Judy a Happy Birthday!

We are planning approximately a 24 mile ride so plan accordingly as to your start time. We want everyone back around 4:30 so we can enjoy the great outdoors and yet not be in the dark with our fun. We should have plenty of burgers, chips, drinks, salads and cake for all! So start at 2:30 or 3:00 as you wish from Diane's house at 624 Greengate Ct. 47715

Mapquest it if you need, or call Diane for directions at 473-3546. Bill Voegel, Bill Majors, and Diane are cooking up a special good time! Please come join our fun time! If you can't ride or if it rains please come anyway around 4:30 and we can party! Just come around to the back yard after the ride and be ready to sing! We will have candles although maybe not 50!

Oh, and if you didn't notice Halloween is going to be just around the corner. Come in your costume if you like or change into it after the ride. This is a costume optional party! It is a good opportunity to test your costume and make sure you don't have any wardrobe malfunctions on Halloween!

EBC Pre Pumpkin Ride

A Special Thank You to Gilles Cycling and Fitness

Sunday September 23 was a perfect morning for the Pre Pumpkin ride. It was a bit chilly but isn't the pumpkin ride supposed to be sort of cool? Anyway, about 20 to 25 people took the opportunity to "check out" the route and enjoy the company of other riders.

There was a large group of Guitar Lab Race team members there for the 100K along with some other

riders who "went the full distance". Then there were also a nice number of people who rode the 50K.

I am not sure if anyone did the 25K route Sunday morning, although we did ride it on our normal Monday night 4-H ride and it proved to be well marked. The routes are great as always!

When we returned to the parking lot at Heritage Federal, one of the GPM sponsors, we were greeted by Scott and Christine Gilles of Gilles Cycling and Fitness, another GPM sponsor, with a wonderful spread of delicious sandwiches and chips and drinks. It was so nice to be able to "tailgate" after such a great ride. In the past few years we have been treated to Subway after the ride by Gilles Cycling & Fitness, which is wonderful. However, this year was really special since we were all able

to mingle and visit more outside with the tail gate party they provided. It was a great time for those of us who were able to partake!

Please be sure to thank Scott Gilles and Gilles Cycling and Fitness for sponsoring our Pre Pumpkin Ride again this year! It is so delightful to be able to ride the route and check that the marks are all good in advance of the ride since most of us work the day of the actual ride and otherwise would not be able to enjoy the routes.

But as with most hosted rides the real special treat came at the end of the ride when we were greeted by smiling faces and a meal instead of driving home hungry.

Thanks again Scott and Christine!
