

PAUL JENSEN

THE PRESIDENT'S CORNER

So the dreaded month of Febru-ucky is about to end. My personal "worst" month that is COLD, Windy, and always seemingly dark is about to expire. I am also glad it is the shortest. Winter sports are in the middle of their seasons and most of the athletes can't see the light at the end of the tunnel when playoffs and championships will begin. The regularity of seeing cyclists is extremely rare save for those truly dedicated. But March will intermittently show signs of change for the better. Daylight hours are longer, daylight savings time changes our perspective as darkness comes an hour later, temperatures rise and we look at our bicycles differently. March will have at least two or three days that will meet our personal criteria for riding and we will get out, pump up the tires, grease the gears and get in at least a 17 or 23. What a wonderful feeling!!

But many of the preparations for a great year of local cycling have been going on over the winter months and much of it begins in February. Meetings are being held preparing for the second "Streets Alive" to be held on Fulton Avenue where the EBC bicycle powered smoothie machine was introduced and was an instant hit. The "new and improved" model should be ready by the May 19th event. Plans for the second River City Bicycle Classic race at Garvin Park on June 8th have been ongoing with EBC heading up the Kids races and kids events. EBC is preparing to host the Ride of Silence for the fourth year which will be held on Wednesday, May 15. Being an active member of the Evansville Area Trails Coalition, EBC is in strong support of proposed trail which will start at the top of the levee on Waterworks Road and end at Angel Mounds. The senior Civil Engineering class from the University of Evansville chose as their senior project to design and plan a workable trail. The class proposed three different routes with the one chosen to be developed with specific details.

The proposed trail will be eight feet wide and be of a rock surface. Initially the surface will not be overly conducive to road bikes, but in time will become finer as used. Much of the trail will depend on volunteers picking a portion of the trail to develop and maintain. Sounds like a great project for a club like EBC! Five years ago when the project was first

proposed the cost was predicted at \$18,000,000.

The seven mile trail with bells and whistles should top out at \$1,000,000. If all goes as planned we could be riding on it by the end of 2014. Quite a bit different the 40 years to complete the trail could be up and Quite a savings.

Darlene Wefel will be representing EBC, Southern Indiana and the state of Indiana at the National Bicycle Summit to be held next week in Washington, D.C. We are anxious to hear what she has to report. Our own Bicycle Indiana summit will be held March 14-16 with most of the type of input and information that EBC members might be interested in will be held on Saturday.

Maybe we could get a carload to travel up EARLY Saturday morning (it begins @ 8:00 a.m. eastern time) to gather information and put in our two cents worth. Go to the Bicycle Indiana website for further information. <http://www.bicycle-indiana.org/> and click on summit. That's it for this month!

I hope to see you at least once when that special day of criteria comes about for our initial 17 or 23 miler.

Cheers,

Parthur

Evansville Bicycle Club, Inc. Mission Statement

The Evansville Bicycle Club Inc. is an organization formed to promote bicycling in the Tri-State area. We advocate bicycle safety and education in our local communities by participating in and supporting health, fitness and cycling activities. The club provides the opportunity for cyclist of all ages and abilities to partake in cycling activities on a regular basis by offering a variety of rides weekly.

COME JOIN US ON THE NATCHEZ TRACE CLUB RIDE JANE BUCHTA AND DARLENE WEFEL JUNE 1ST - JUNE 8 2013

Are you interested in riding the Natchez Parkway from Natchez, Mississippi to Nashville, Tennessee?

You will need a sag vehicle or share sag support. We will be riding Sunday through Saturday 60+ miles every day possibly doing 1 or 2 century days.

Jane and Darlene are organizing the ride departing on June 1 driving down to Natchez, Mississippi and beginning the ride back to Nashville on Sunday.

This is a low traffic National Parkway with a speed limit of 50 mph. and no commercial trucks. The parkway is 444 miles long with lots of historic sites to see along the way. We will be staying in hotels along the route.

Mileage depends upon logistics of hotel accommodations. It is possible that we will have to take sag vehicles to a town that is quite a ways off the trace. Planning is underway and may depend on number of riders.

Contact Jane 812-453-1333 or Darlene 812-568-9828 for more information or to sign up for the ride.

Biking To End Poverty Housing!

March 15 – 23, 2013, I am going on a new adventure. I will be riding my bike down the Natchez Trace from Nashville, Tennessee to Jackson, Mississippi. We will ride 400 miles but we will also do a build day. On our build day we will work on a Habitat Type House building project.

The purpose of my trip is to raise awareness of the Fuller Center for Housing and to raise money to end poverty housing. Please donate by going to <https://www.fullercenter.org/civicrm/contribute/transact?reset=1&id=7&dcode=DianeBies>

Please consider making a donation to the wonderful cause! Also, consider joining me on my ride! Registration for the spring ride closes on MARCH 22, 2013, so sign up soon!

Additionally, my youngest daughter, Nicole, who is 20, is doing a trip across America with this same organization this summer. She is very excited. She too is raising money for the Fuller Center. If you would like to sponsor her ride please go to <https://www.fullercenter.org/civicrm/contribute/transact?reset=1&id=7&dcode=NicoleBies>

The Fuller Center for Housing is an amazing organization with a most interesting story. I would love to share it with you. Check it out at <http://www.fullercenter.org/> Play around on the website and see all about the summer bike adventures at <http://fullercenter.org/bikeadventure> and at <http://www.fullercenter.org/bikeadventure/springride> for the spring ride.

We are both raising money for housing in Sierra Leone, Africa. If we raise \$5,000 between the two of us we can pay for a house there. Nicole went to Sierra Leone last summer on a mission trip and wants to make a difference for the people. Please consider helping her in this quest.

Again, I hope that you can donate a little money to this wonderful cause by sponsoring one of us and join us in your heart on this adventure. We will need many prayers to make these safe, happy, successful adventures. Thanks so much!

ebc ride notes:

March 2013

Club Meeting on Thursday March 14. Please come join us as we work to plan for this year.

Ride Hosts We are looking for ride hosts for the spring. It isn't too early to start planning that special ride you want to host. The weather will be warm again before we know it. (Or at least I hope it will be.) Be sure to let Diane Bies know what you have planned and when so she can get it on the calendar with no conflicts.

Volunteer Opportunity: Saturday April 6, 2013 The SIC Marathon is happening again at the 4-H Center. We offer support to the runners as they run. Our volunteers ride their bikes along the last half of the marathon course to offer support both mentally and physically if needed to the runners. We carry water, food, band-aids and other such items. The runners appreciate our assistance and attention. If you are interested in helping, please contact Diane Bies at home 473-3546, just leave a message and I will return the call. We will start in the morning and be finished by 1:00 pm or earlier.

Monday evening rides at the 4-H Center are back on the calendar with Daylight Savings Time. This ride will be at 5:30 so we can finish before dark. Tuesday evening rides at Olmstead are also back. These are only 17 mile rides for March and will start at 5:30 also. Safety is a concern!

Please notice all the Wednesday night rides are still at Garvin Park now. Wesselman Park is closed in the back part of the circle for an endangered salamander population in the park to cross the road.

Thursday mornings at Mesker are back. We have spent the last two months at Newburgh on Thursday mornings because the roads there are cleared in the winter better than the west side ones. However, we are assuming winter is passed and going back to rotating the Thursday morning rides between the Old Dam and Mesker Park.

The Club Centuries are also back on the schedule!!! We are riding the Tennyson Century or a Touring Century this month on Thursday March 14 and Saturday March 16. Meet up at Crossroads Church at 8 AM for a fun day on the bike.

GET OUT AND RIDE!! WE HAVE PLENTY OF OPPORTUNITIES TO RIDE WITH FRIENDS ON THE CALENDAR. COME JOIN IN THE FUN!!!!
