When the clock struck **summer** the weather gods were listening. The weather folks say it is not as hot as last year, but that's because it was in the **three** digits no just 90's. This past month of nice spring weather triggered quite a few riders to get out and do their thing .

The River City Bicycle Classic turned out to be a weather and people friendly success. EBC was in charge of the kids' races and putting on a kid's rodeo. We also passed out bicycle safety information and encouraged people to join EBC. Members Gary Gardner and Bob Fodstad, as race marshals, had an unwanted cyclist riding the wrong way on the course in their domain and just barely averted a head on disaster. The gentleman appeared to have been imbibing a bit too much of the grape.

EBC was instrumental in assisting in the 8th annual bike giveaway sponsored by the EVSC, Parks and Recreation and Ivy Tech. These bikes went to children participating in the summer enrichment program between the ages of six and fourteen. Out of the 800 children participating, 125 bikes were awarded. To be eligible win a bike the child had to demonstrate good behavior, good attendance, and a good attitude throughout the program. The first role played by EBC was to promote safety by showing a video on safety and rules of the road followed by a short lecture along with practicing turns and stop signals. Secondly we made sure all bikes were in top notch condition when the winners were announced. This included pumping up 200+ tires and making adjustments to brakes and gears plus wheel alignment. EBC volunteers also adjusted seat posts to fit the child to their bikes. Finally EBC set up a skills course for the winners to get out and ride their bikes right then and there. The smiles on the kids' faces as they were announced were priceless! There are pictures of the event elsewhere in this newsletter.

It makes me tired just writing about this one. On June 15/16 three EBC riders participated in the 24 hour race in Middleville, Michigan. In the 50-54 Rusty Yeager finished 8th with a total of 362.4 mile with David Kuykendall at 22nd with 302.4 miles ridden. Archie Carter raced in the 60-64 year age group and finished 13th traveling 339.1 miles. Congratulations to each and a reminder that your mental examination is scheduled for next week.

Coming up and again in need of volunteers will be the week long "I Can Ride" program (July 15-19) sponsored by the Easter Seals Rehabilitation Center. This program will include approximately 30 children with mild physical and mental disabilities to learn how to ride a two wheeled bicycle in five days. Volunteering for this program is a bit different in that you volunteer your service for the same time of day (1 ½ hours per day for the week. So if you can fit this into your schedule please do by calling **Patty Balbach at 812-479-1411**. EBC will again gladly donate two scholarships plus one adaptive bicycle to the program.

July will also see many of our kind travel to Terre Haute to attempt the 162 mile journey to Richmond, IN. Have a great ride and good luck. The date July 13.

The middle and end of next month will also see some of our Senior riders heading to Cleveland, Ohio to participate in the National Senior Games. I know of two who will be competing so Good Luck to Bill Voegel and Steve Gerbig.

I hope to see you on the road---or at a volunteer effort!!!

Cheers,

Paul

Riding Across America for a Great Cause

My daughter, Nicole Bies, age 21, is currently riding her bike across America with the Fuller Center for Housing. She has been out for three weeks and has six to go. She started in Savannah, Georgia and will finish in Vancouver, British Columbia. Along the way they are doing approximately 7 build days. The riders spend some days doing repairs on a home that is in need. They have stopped for build days in Americus, Georgia, home of The Fuller Center for Housing, worked on a home in Lanette, Alabama, Shreveport, Louisiana, and Oklahoma City, Oklahoma on the tornado damaged homes. She has ridden many miles, made many new friends, and enjoyed the experience so far. However, she has been quite devastated by the time in Oklahoma City. She was young when the tornado came through here and did so much damage. It made her especially sad to know of the children who died in the storms.

Follow this adventure at the website <http://www.fullercenter.org/bikeadventure> and you can follow their blog at <http://www.fullercenter.org/blogs/bikeadventure>.

Of course they also have a Facebook page! Please like them on Facebook at <https://www.facebook.com/BikeAdventure?fref=ts> and the organizations Facebook page is <https://www.facebook.com/FullerCenter?fref=ts>. There are lots of great pictures and stories here. I hope you will take a little time to explore.

This is the same organization I rode the Natchez Trace with this spring. Amazing fun! Please consider joining up with them yourself some time. I hope to someday organize a group of EBC members to participate with this organization in a ride and or a build! They are known for "Riding bikes, building homes, changing lives".

Please keep this group in your thoughts and prayers as they work their way north and west.

Diane Bies

EBC RIDE NOTES:

JULY 2013

CHANGES TO THE USUAL CALENDAR!!!

New Ride on Wednesday nights. We are trying to make a **Community Ride** happen on the Greenway. We will meet in the parking lot of Bosse Field in Garvin Park. We will ride at 6:00 PM on the Greenway for about an hour. Credit will be given for 20 miles to those who participate. This is to be a slower ride to welcome the community to ride with us. Hopefully the local bike shops will join us for this ride and we will put up some signage about it. It would be a great time to dust off that old bike and take it for a spin. Please come join us so we have a good turn out of EBC members to meet and greet the community.

Due to the new Wednesday night ride the **Thursday night rides have changed**. We will no longer offer a circuit ride at night. **Instead the ride that used to be held on Wednesday night is now to be on Thursday night.**

Also, be aware of the location changes on the calendar on July 22 and 24!!

On **Thursday, July 4**, Darlene Wefel will again host the **Firecracker Ride** at the Old Dam Overlook. Come join us in a fun ride with food and fellowship after the ride. **9:00 at the Old Dam Overlook on Thursday, July 4!!**

July 11 and 13 are the dates of the July Century.

July 15 through 19 the Southwestern Indiana Rehab Center will host an I Can Ride program. **Volunteers are needed!!! **

This was formerly known as Lose the Training Wheels. Contact Diane Bies 812-453-9966 to volunteer! Please volunteer!!!

We are sponsoring a participant and would love to have some EBC volunteers there as well. This is a great opportunity to make a difference in someone's life.

July 27 (Saturday) is our NO DROP RIDE at Bluegrass FWA. Again it would be great to have a good turn out for this ride. We are hoping to bring in some riders from the community by way of our Wednesday night Community rides.
