Our monthly club meeting is on the second Thursday of every month except January at the Pizza Chef in Newburgh Indiana at 6:30 PM.

### **Evansville Bicycle Club, Inc. Mission Statement**

The Evansville Bicycle Club Inc. is an organization formed to promote bicycling in the Tri-State area. We advocate bicycle safety and education in our local communities by participating in and supporting health, fitness and cycling activities. The club provides the opportunity for cyclist of all ages and abilities to partake in cycling activities on a regular basis by offering a variety of rides weekly.

Summer is officially here and as usual came on in one day, from sixty to ninety and then staying there for a week or more. But that was perfectly ok with EBC as we had plenty going on. Some great times getting some serious mileage in for the scheduled rides plus events in which EBC was greatly involved.

From June 9-13, EBC was heavily involved in the **iCan Bike** camp sponsored by the Evansville Easter Seal Rehabilitation Center. This year EBC sponsored two campers in addition to purchasing two special bikes. EBC members Dale Palmer and Nolan Herrell served as "buddies" and counselors in assisting each of their bikers to become independent "two wheelers" in five days. All participants in this program are between the ages of 8 and 14 and have some kind of mild disability.

The EBC held its first summer picnic on Sunday June 22 and the weather was ideal. The day was a bit warm, but underneath the shade of some welcome trees and with a little breeze it was wonderful. Rather than ride before the picnic, most members just came out for the fellowship and the food.

The club purchased the hamburgers and hot dogs grilled by Bill Majors, Gene Brouillard and Gary Gardner as well as baked beans, German potato salad and soft drinks. Many members brought some of their own favorite salads and side dishes which made for PLENTY of food. The picnic began at 2:00 and some were still enjoying the conversation at 4:30. Tambi and Keith Miles, the owners of the property had just purchased the twelve acre site and are planning on developing and improving the former campsite into destination recreational site with a restaurant plus other outdoor features. They donated the site to EBC waiving the usual \$200.00 rental fee. EBC was their 1<sup>st</sup> guests.

EBC, EVSC, Ivy Tech, Gerling Law and the Evansville Board of Parks and Recreation all combined to help sponsor the 8<sup>th</sup> annual Public Safety Academy Bike Giveaway to 174 Evansville youngsters participating in the summer program. The program was developed by Dave Schutte of the EVSC and Chris Kiefer, Program Chair of Criminal Justice at Ivy Tech in 2005.

EBC held a rodeo in Mt. Vernon on Saturday, June 28 in celebration of the Healthy Communities fitness celebration. Bill Voegel, Bill Majors, Bob and Julie Fodstad, Dale Palmer, Steve Gerbig, Paul Jensen, Renee Hanft and Mike Spearin helped guide bike riders through the EBC "streets" using proper hand signals at stop and yield signs plus right and left turns.

## Indiana Bicycle Law Update: Red Traffic Signal Law June 27, 2014

As you may be aware, most traffic signals in the State of Indiana are controlled by sensors under the pavement that detect weight. Often times, these sensors are not able to detect lightweight modes of travel like bicycles, motorcycles, scooters, etc. This poses a problem to cyclists, as we are required under Indiana statutory bicycle law to obey all the traffic laws that apply to motor vehicles – like stopping at red traffic signals.

Hence, the introduction of a new Indiana bicycle law: House Bill 1080, also known as the **"120 second rule" or the "dead red law."** This new law, which becomes effective July 1, 2014, provides:

(D) If the operator of a motorcycle, motorized bicycle, motor scooter, or bicycle approaches an intersection that is controlled by a traffic control signal, the operator may proceed through the intersection on a steady red signal only if the operator:

- (i) comes to a complete stop at the intersection for at least one hundred twenty (120) seconds; and
- (ii) exercises due caution as provided by law, otherwise treats the traffic signal as a stop sign, and determines that it is safe to proceed.

The Silver Comet Trail is located 13 miles northwest of Atlanta, Georgia. It's free of charge, and travels west through Cobb, Paulding, and Polk counties. This quiet, non-motorized, paved trail is for walkers, hikers, bicyclists, rollerbladers, horses, dog walkers, and is wheelchair accessible.

The Silver Comet Trail is 61.5 miles long, and starts at the Mavell Road Trailhead in Smyrna, Georgia. It ends at the Georgia/Alabama state line, near Cedartown and The Esom Hill Trailhead.

At the Georgia/Alabama state line, the Silver Comet connects to the 33-mile long Chief Ladiga Trail. Plans are underway to extend the Chief Ladiga an additional 7 miles. Both the Silver Comet Trail and Chief Ladiga are fully paved rail-trails built on abandoned railroad lines. The combined Silver Comet and Chief Ladiga trail length is estimated to be 94.5 paved miles from Smyrna, Georgia to Anniston, Alabama. (text courtesy of the Silver Comet Trail Web site)
