It's 8:00 a.m. on Sunday, October 5. It is the day of the 33rd annual Great Pumpkin Metric bicycle tour. From my view at the "teams/lost and found" station I watched hundreds of riders of all ages, shapes and sizes scurry past me to the registration tables. As these folks went by excitedly I heard many of them refer to this as their first GPM and how they couldn't wait to get on the road.

Their enthusiasm caused me to reflect back to October 3, 1999 and my 1<sup>st</sup> Great Pumpkin Metric. I was 57 years old, in fairly good condition and riding an average of about 24 miles a day on my hybrid style Bianchi Boardwalk (I still have it). I was unaware of the Evansville Bicycle Club and had just recently heard of the Great Pumpkin Metric Bicycle Tour. After pre-registering I arrived at the 4H center @ 7:45 a.m. got my packet, looked at the 50K route and asked someone what a Dan Henry was and I was on my way. It was the beginning of one of my best bicycling experiences ever. The day was perfect; little wind, great sun, 55F at the start and 70F at the finish. Riding past the "weird" house, making it up the "killer hill" without having to walk, gratefully riding up to Yeley's a mile or so after the hill. Getting to the rest stop at St. Wendel and knowing that it wasn't far to the finish I sped through the flats the last couple miles with the wind at my back. Finishing and feeling euphoric about my accomplishment and experience immediately went up to the registration table

and immediately become a member. It was my intent to see this event last years to come and thought my membership might help.

My membership must have made the difference because here we are fifteen years later and much of the GPM is the same. There are still three routes (no longer do killer hill though), donuts and coffee, music, Yeley's rest stop and the pasta lunch.

Please note that there will be **no EBC general club meeting** this month. We will try and relocate for December.

If you are interested in having a say on what goes on with the club as a member of the EBC board, send your name and a brief resume along with what position you might want to seek and why!. Both the President's and Treasurer's position are open because of term limitations and the position of vice president will become vacant. Elections will be held in January at the annual meeting and Banquet.

Have a great month and bundle up.

Cheers,

Paul

# RIDE NOTES:

**November, 2014**

Please note for the month of November there are several changes!

We have **added an afternoon ride on Wednesday** at 1:00 in addition to the Monday and Friday rides for the winter months. Mondays are at the 4-H center, Wednesdays are at Elite Fitness, and Fridays are at Olmstead. Please join us for some fun in the sun or at least usually the warmest part of the day.

Also, our Saturday rides are now usually held at Elite Fitness on Kansas Rd. Actually they start at the access road just north of Elite and off of Seib Rd.

There is **NO CLUB MEETING THIS MONTH** on Thursday November 13. We will meet in December on the second Thursday, December 11.

On **Sunday November 16** we have the Ashley's Menagerie ride from the home of Gary and Opal Gardner. This is a fun challenging 29 mile ride although there is also a 12 mile option for those who don't want to brave the cold so long or are up for a shorter ride. This is a great opportunity to visit in the cooler month of November over some delicious food after the ride!

As always in November we have the Pumpkin Pie ride coming up on **Saturday November 22** at Mark and Debbie Oliver's home. This promises to be a fun and well attended ride. Mark your calendar now! Lots of fun and good food for all!

On **Friday November 28** we will also have our annual Day After Thanksgiving Day ride. It is held at Dogtown Boat Ramp on Old Henderson Rd. What a great way to get out and work off that feast you over ate on Thanksgiving Day!

Then on **Sunday November 30** you will have another opportunity to enjoy some good food and a fun ride with friends at the Harvest Home Ride. Bill and Kathy Voegel are hosting a ride from the home where Kathy grew up. They are currently fixing it up to sell it soon. This will be a fun time with some fall activities and great food.

Come out to join us on **Wednesday nights** after work for circles in the park. It is really a fun ride as there are fun people there to visit with, the air is crisp and refreshing, and you can stop at your car as needed to add or remove layers if you don't dress quite right. It only lasts an hour!! After that hour of fun riding some of the riders go to dinner together and visit and share stories at a restaurant chosen by those who are riding and eating. You must have lights but they can be purchased very reasonably at the bike shops or even the discount stores. Come check it out! You can't get lost and if you get dropped or want to ride faster, you are never far from the other riders.

Most of all **KEEP RIDING!!** If you add a few layers, riding in the winter is really fun! If you want to know what you need to wear, ask any of us "crazies" out riding on the cooler days, we will be happy to share our thoughts and recruit others to ride through the winter too!
