# the president's letter

June is in the books as they say. Half of 2015 is over! I hope you have been out riding and volunteering and enjoying the wonderful weather we have here in Evansville, IN. This past month was full of activities and fun events. We have done some amazing volunteer efforts! I want to thank those who I know of for all your volunteering and participating. You are the ones who make this club great!

First there was the Streets Alive and State ( Senior ) Games on the same day early in the month. I was not around so I am not sure who all volunteered and or participated but I do want to say Thank You to all of you. Of course we need to acknowledge Steve Gerbig as the organizer of the local bike race part of the State Games. Without Steve there would not be an opportunity to compete. Great job!

Next was the River City Classic Bicycle Racing in Garvin Park. We had many club members volunteer and ride in the races. Thank you for your time. We are here to promote cycling in the area. What better way to promote cycling than to have and support the racing community when they have an event here in our own town? We also supported the races by sponsoring all the preems at the races. All of these efforts are much appreciated by the racing team and me

Ricardo Zacharias and Donna Redden volunteered at a bike earning and learning program at the Dream Center for three weeks, twice a week. I believe Ted Borchelt was also there a day or more. Paul Jensen has stepped up to help out some since their session has concluded and a new one is going now.

Then there was the Ivy Tech EVSC summer program bike give away. Bill Johnson, Bill Majors and myself checked and aired the tires for the kids. Paul Jensen came in to do the safety presentation for the students in the afternoon. Another I Can Bike session was held at the Armory in June also. Dale Palmer worked a session or two every day for the whole week. Ted Borchelt also helped out several days with a lot of time.

Melissa Stepro and her committee members, Rusty Yeager, Paul Jensen, Bill Majors, Bill Voegel, Dave Yeley, and perhaps others I am forgetting, are working hard to make this year's Great Pumpkin Metric a major success.

There have been club members out marking the routes so we know where to go this summer and always. I know Dave Ashworth, Jim Neithammer, Bill Voegel, Bill Majors, Gary Gardner, Ricardo Zacharias and myself have been out marking. If I missed anyone, I am sorry and I do appreciate all your efforts in the shadows.

Lastly, we memorialized Joan Baehl on Sunday June 28. We had a nice turnout and nice comments made about our missing friend. Bill Voegel did an excellent job of spearheading the organization of that event and the many reminders to people to come out and ride. Thanks to all who came and made the day so special. Joan is missed but she is not gone.

On Saturday August 1 the Triathlon team has their annual event for their members at Blue Lake in Newburg and a ride to Hatfield and Richland City. They have asked our members to provide support for them on that day as aid station people and a sag driver. Please see notes in this newsletter and volunteer! The Tri team mans a rest stop each year at the GPM. It would be great to show our appreciation in return by supporting their event. Please contact Steve Roelle at 812-598-9490. Thanks!

As we look to July and the calmness of the balance of the summer I hope you will make plans to ride more. Bring a friend to a ride and ride with them or introduce them to a potential riding partner. This is your club, come to the meeting and join in the planning or share your thoughts. Volunteer when these opportunities come around again. Watch your email for more news and volunteer requests. We need you!

Thanks for all you do!

Diane

**Trending on facebook from Bill Voegel:** It looks like Colette Loehrlein doesn't want to brag, so I will do it for her. It was just announced Saturday that her mother, Martha Loehrlein will have the great honor of carrying the Indiana flag into the stadium leading our 153 Indiana athletes in the Parade of Athletes at the National Games in Minnesota. This is a very high honor. It is like the opening ceremony parade of countries at the Olympics. I am so proud of her!

**70.3**

We could really use a min of 8 people from the bicycle club to help run aid stations. I am hoping you can put out the call and lock up volunteers.

2 bike aid stations - 2 people each (approx 7:30 - noon)

1 bike SAG vehicle - 2 people needed (approx 8am-noon)

5 run aid stations - 2 people each (approx 9:30-2pm)

We will provide instructions, locations, all aid supplies, etc.

My cell is 812.598.9490

Thanks so much!

# :15 MINUTES OF FAME ON THE TODAY SHOW

*From Steve Gerbig on Saturday, June 27th: Happened to catch this on the Today Show this morning. Recognize these folks? — with Carson Brindle, Matt Brindle and Sonya Brindle.*

# Old Jersey Order?

A number of club members have expressed an interest in obtaining our old jersey design. It is the yellow and purple jersey shown in the pictures below. We are trying to assess whether or not there is sufficient interest to do a jersey order.

Please indicate how many jerseys you think you might want to order and what sizes. The jerseys are made in the U.S.A. and the material would be similar the current club jersey. The sizes available are XS, S, M, L, XL, XXL, 3XL and 4XL.

The cost will be similar to our current jersey (\$60). Long sleeve would be available but may cost an extra \$5 (we will need to decide that at a club meeting prior to sending out the final order form). Sleeveless will also be available. This is simply a survey and not a commitment. If it looks like there would be sufficient interest to do an order we will send out an order form.

If you think you would be interested in buying an old jersey send an email to Gary Gardner at [gogardner@roadrunner.com](mailto:gogardner@roadrunner.com). Please put “jersey” or “ebc jersey” in the subject line so that I know you are an EBC member and not someone sending me the latest iteration of blaster worm. Again, indicate the number of jerseys and sizes that you think you may want to order.
