"The bicycle has a soul. If you succeed to love it, it will give you emotions that you will never forget." — Mario Cipollini

Diane Bies

Hopefully all of you have gathered all your friends and are planning to ride the GPM and enjoy the food, fellowship, themed rest stops, music, and plenty of sag support which we hope you don't need! Or you are planning to volunteer to make the day great for others. If you are not riding and want to help out, or if you want to help before or after you ride, please contact Melissa Stepro at 812-454-8902 to let her know where you can help and when. Remember to encourage everyone you know to come ride. Many people are just waiting to be asked. As always we will have themed rest stops, music, food and fun! We offer three routes so every level of rider can have a great day on their bicycle around other bicyclists! Hope to see you there!

Coming up at the end of October we have another hosted ride on the calendar. Bill and Kathy Voegel and Diane Bies are hosting a Halloween Costume Ride with much food and fun after. The ride starts from Bill and Kathy's home at 9:00. Food and fun begin at 11:00. If the weather is not good or you can't ride please come for the party at 11, and invite your family to come as well. The afternoon ride starts at the same place so that everyone can party longer or party and then ride if that works better for your schedule. All riders are encouraged to dress up in a costume but costumes are not mandatory. Above all remember to be

There are lots of fun rides in October. Check out the calendar and get on your bike and ride. It all kicks off with our Great Pumpkin Metric, then there are special rides almost weekly after that. Hurry before it gets any cooler!

When you receive this newsletter, Bill Johnson, Bill Voegel, and I will be in Shreveport, LA working with the Fuller Center for Housing on their 2015 Legacy Build. In the week while we are working 4 new houses will be built from the ground up and 1 older home will be refurbished. We actually register with a team name of Evansville Bicycle Club. My neighbor is also joining us this year. If you would like to join this fun project please let one of us know so we can include you in future fun trips. This one has no biking involved. But we all know it is our bicycles that brought us together and to the Fuller Center and their efforts to eliminate poverty housing. Watch for photos of us on Facebook.

Once more remember to come out on October 4 at the 4-H Center and join the fun of the Great Pumpkin Metric presented by your Evansville Bicycle Club and sponsored by Dan's Competition. The weather is going to be perfect! Don't miss the fun!!
