The President's Letter

Wow! September promises to be one full month of possibilities for fun on a bike. August was a lot of fun too. Please look at the calendar and the ride notes for this month thoroughly. There are so many changes! New start times in the evenings and a new meeting spot! We had a great time last Sunday at my house for the hosted ride. Bill Majors and Luan Gruebel and I had fun preparing some delicious food and we had so many fun riders and swimmers. Thanks to all who came and made it special! There will hopefully be photos somewhere in this newsletter of some of the fun we had.

I had an interesting experience in August as I rode with the Fuller Center for Housing from Springfield, Ohio to Washington DC. It was a busy 10 day trip with a lot of miles being covered. We worked on a house in Springfield putting on a new roof and changing out the siding all around as well. What an accomplishment! I look forward to going to Alabama this month for a week of building and then a weekend on the Silver Comet trail with an overnight camp out experience in there. Should be great fun! If you are interested in joining the fun, even just for the bike ride on the Silver Comet trail, don't hesitate to contact me for more details. We are working ever so furiously on the Great Pumpkin Metric.

It is all coming together quite well under the watchful eye of Melissa Stepro who is in her second year as GPM chairman. Rusty is working hard to oversee the registration process. Everyone is gearing up for their areas. We hope to have a 35th annual GPM jersey for sale. We have a very nice t-shirt design again by Dave Yeley. This year we are using a theme of School Days.

I hope you will encourage your friends to all ride and check out our rest stops to see how they decorate around the theme of School Days. We all remember what fun we had in school, so this should be a fun event! We will again have our delicious pasta and Rally's chili as well. All volunteers are encouraged to come in to the Swine Barn to help out, visit with friends, and eat some food. We also will have Tin Man brewing company on hand

this year selling some local brews. It should be a great day! Our joint rides with TDE on Saturday mornings seem to be going well. It is fun to be riding with such large groups of people. It is encouraging to know the sport we love will continue to stay strong here in Evansville with so many people enjoying riding. We have made new friends, renewed old friendships and enjoyed some time eating together after the rides. I can't say enough about how fun this has been for so many of us. It is also fun to ride the new and different routes.

Speaking of new routes, this month we have added a change on

Sundays and Friday afternoon rides. There is a new route starting at Olmstead. We will try rotating the regular ride that we all love through Bluegrass with the new route that takes us into Chandler and through a nice tree tunnel before returning to our cars.

Please give us some feedback on this route. Bill Voegel worked hard to design something new and different. We hope to offer a ride from Boston's on Epworth at the Lloyd soon also. We are waiting on approval to use the parking lot from the management at Boston's. This would be an opportunity to go in after and share some food and friendship.

Hopefully it will make the October or November calendar. Once again, I would like to take this opportunity to encourage you to look at the September calendar and ride notes. They are full of fun rides being offered in the area. There are plenty of chances this month to get off the beaten path and ride a new ride. Please share your experiences in the newsletter if you are so inclined.

Lastly, remember to volunteer to help with the GPM!! We need all the helpers we can get so that no one has to do too much alone. Please step up! Encourage your coworkers and friends to come out and try the ride as well. We need riders too! Together we can make this a great day!

Diane

from Melissa Stepro, EBC GPM coordinator

We are very excited about the 35th annual Great Pumpkin Metric!

This letter is to provide updates and encourage all of you to volunteer your services or enjoy the camaraderie and ride!

As with GPMs in the past, we will have delicious pasta, hearty Rally's chili, and Donut Bank donuts to start your day. This year we added a beer garden provided by the Tin Man brewery for those of you who would like to enjoy an adult beverage after the ride.

We will once again have live music provided by the Sproketts.

For our little ones, we added a 1 mile children's mile within the 4H fairgrounds. Please feel free to ride with your child, then take off on our regular GPM routes. We also encourage everyone to get "team" together. Each team will receive a plaque with the name of their team and the total number of miles ridden.

If you are wondering how you can be involved consider volunteering! We still need help with parking, SAG drivers, and at the registration tent.

If you are interested please contact Melissa Stepro (Melissa.stepro@davita.com or 812-454-8902).

This is guaranteed to be a great day of riding and fellowship! Registration is now open! We'll see you there!

Bicycles' Breeze

A Boy's Song

*With lifted feet, hands still, I am poised, and down the hill Dart, with heedful mind;
The air goes by in a wind.*

*Swifter and yet more swift, Till the heart with a mighty lift Makes the lungs laugh, the throat cry:-- 'O bird,
see; see, bird, I fly.*

'Is this, is this your joy? O bird, then I, though a boy For a golden moment share Your feathery life in air!'

*Say, heart, is there aught like this In a world that is full of bliss? 'Tis more than skating, bound Steel-shod
to the level ground.*

*Speed slackens now, I float Awhile in my airy boat; Till, when the wheels scarce crawl, My feet to the
treadles fall.*

*Alas, that the longest hill Must end in a vale; but still, Who climbs with toil, wheresoe'er, Shall find wings
waiting there.*

—Going Down Hill on a Bicycle by Henry Charles Beeching, 1859-1919

1st and 2nd, (Rusty Yeager) overall in the solo division. These two combined for over 900 miles at the 2016 Subaru Test Track 24 Hour cycling Challenge in Lafayette, Ind. The event Raised \$124,000 dollars for CASA (Abused and Neglected Children)
