### THANK YOU!!! THANK YOU!!! IT IS BECAUSE OF ALL OF YOU THAT WE HAD A SUCCESSFUL GREAT PUMPKIN METRIC RIDE AGAIN THIS YEAR!!!

I really appreciate all who worked and rode the ride. I must say a huge shout out of thanks to Melissa Stepro for holding everything together in spite of a few glitches at the last minute. Also Lori Yeager and Dave Ashworth for filing in for and with Rusty so that we could have some info to work from in spite of him being in the hospital.

Also Terry McGinnis and Yvette Wassmer for the wonderful photos of the day. So many people stepped up graciously and willingly to answer the needs we had relating to the ride. I am afraid that if I don't stop naming people I will leave someone out, so thank you again to all of you, especially those of you who saw us through the rough times! All in all, things went great!

I hope that next year we can get even more people involved so we can do an even better job. Start thinking now of how you would like to help. We are hoping to have someone do some more publicity work and someone to do a lot of food acquisition work and perhaps someone to recruit more team involvement through businesses and their health plans.

A suggestion has been made to have some traffic control volunteers to keep the riders just a bit safer and to make it a more pleasant day for all. Lastly or first, we need a person to step forward to be the

coordinator for next year. Melissa has done a bang up job for two years. Perhaps she would stay on if she had a co-coordinator?

If you have any interest in any of these areas or just in the ride itself

please consider coming to the monthly club meetings a little early as we will be having GPM meetings before each club meeting at 5:15 or so at the Roca Bar. Please come join us!

As always I want to just remind you,

the more you put into Evansville Bicvcle Club the more you will receive in return. We have had several people coming to meetings more regularly lately. It is great to have people involved in the decision making process of your club.

We all want to enjoy riding but the best way to enjoy it is to get to know the other people in the club and what better place to meet than at the monthly meetings.

Speaking of meetings... Plans are being firmed up for the January EBC membership banquet. Get out and ride to meet your goals for 2016, raise the bar, or just finish your minimum of 500 club miles for a plaque.

Stay active through the winter. Spring will be back before we know it. Until then, be careful, keep the rubber side down, and enjoy your fellow riders.

# EBC RIDE NOTES

### Please notice: ALL EVENING RIDES START AT 5:30 IN NOVEMBER

Our Saturday rides are all over the place this month. The normal ride time on Saturdays is still 9:00. However in November we are having more 10:00 Saturday rides due to various considerations.

Watch the calendar for location and times for the Saturday morning rides.

The afternoon rides still start consistently at 1:00 and are mostly at Elite Fitness off of Kansas and highway 57. We actually park on the access road off of Seib just north of Elite Fitness.

There is a CLUB MEETING THIS MONTH on Thursday, November 10 at the Roca Bar on S. Kentucky Ave. The food there is great. The meeting starts at 6:30 but you are encouraged to come around 6:00 for some dinner and social time. We also are planning to hold GPM meetings at 5:15 or 5:30 each month so we can get started planning early. Please come and share your input. We will also meet in December on the second Thursday, December 8.

As always in November we have the Pumpkin Pie ride coming up on Saturday November 19 at Mark and Debbie Oliver's home. This promises to be a fun and well attended ride. Mark your calendar now! Lots of fun and good food for all! Remember that even if the weather is bad, you should come for the social aspect of the after-ride party. This ride starts at 10:00 AM and the party usually starts around 11:30 I believe. On Friday November 25 we will also have our annual Day after Thanksgiving Day ride. It is held at Dogtown Boat Ramp on Old Henderson Rd. What a great way to get out and work off that feast you over ate on Thanksgiving Day!

Come out to join us on Wednesday nights after work for circles in the park at 6:00 PM. We ride for an hour and or up to 20 miles. It is really an enjoyable ride as there are fun people there to visit with, the air is crisp and refreshing, and you can stop at your car as needed to add or remove layers if you don't dress quite right. It only lasts an hour!! After that hour of fun riding some of the riders go to dinner together and visit and share stories at a restaurant chosen by those who are riding and eating. You must have lights but they can be purchased very reasonably at the bike shops or even the discount stores.

Come check it out! You can't get lost and if you get dropped or want to ride faster, you are never far from the other riders. These rides have been well attended this year so far. Come join us for some fun.

### Most of all KEEP RIDING!! If you add a few layers, riding in the winter is really fun!

If you want to know what you need to wear, ask any of us "crazies" out riding on the cooler days, we will be happy to share our thoughts and recruit others to ride through the winter too!

### Overnight Accomodation Network for Cross-Country Cyclists.

It was about 7:30 pm, Thursday, October 20th, when my family and I stopped in at Mickey "D's" for a snack as we were traveling north for our annual Blue Ridge Weekend Trek. My eyes immediately affixed upon a Surly bike adorned with panniers, lights, and the usual ecoutrements of a self-contained cross-country cyclist leaning against the wall.

Sitting inside was Carry, a well-tanned Northeastern Senior, probably late '60s sitting at a table checking his phone. I struck up a conversation with him to find out he had started in upstate New York—traveled into Canada and back out to New York and was on his way to Key West to "party a little." His wife had passed away while living in the UK, so he decided to move back to the US and see the country by bike. I asked about his accomodations along the way and he responded that there's a national network of Home Hosts called "Warm Showers." It's website is <u>www.warmshowers.org</u>

And there's a cell phone app.

It's really neat. Carry was explaining that he was trying to contact his next "warm shower," and sofa/backyard to sleep in. His host was about 20 miles away, and he had 75 miles in for the day as he was trying to average 100 per day. Rather than explain it all here, do your own investigation and see what you think.

Ready for touring?
