The President's Letter

Okay, so spring is just around the corner. Hopefully the warm weather will stay with us without the cold bursts mixed in. The time change happens on Sunday March 12 already. With the time change comes the addition of the evening ride on Monday, Tuesday, and Thursday at 5:30. It will be great to get to ride in the light! The Wednesday night rides continue at 6:00. Come out and join us, the Monday and Wednesday night riders go out to dinner after the ride quite often. Another addition to the calendar is the monthly century days. As always there is a Thursday and a Saturday on the schedule. Be sure to look at the calendar for all the dates and places to meet.

Our regular club meeting is not happening this month. Instead Scheller's Fitness and Cycling has invited us to come browse at their store and stay after hours for a presentation from them on Bicycle maintenance, bicycle fit, tire changes, and anything else we want to know.

We are also starting to plan for this year's Great Pumpkin Metric already. We want to make this a great year!! If you are interested in helping with the planning or the work on that day in a special capacity, please don't hesitate to contact Diane Bies or Kevin Otolski by phone, email, text, or Facebook. This is our big fundraiser of the year and we need lots of help! I know October seems forever away but it will be here sooner than you imagine and we are trying to get our material printed much earlier this year. Thanks for volunteering!

Also, we are hoping to approve and publish the guidelines for club mileage for the year of 2017 very soon. We will send out an email blast and will include a print copy in your dues renewal. Please look at the guidelines and some of the rules are changing. We are trying to get the mileage numbers to really represent miles ridden on club rides at the appropriate times and on the appropriate routes. We are also opening up the mileage to make out of town rides more easily available for club mileage.

I am planning to ride the Natchez Trace again this spring with the Fuller Center for Housing. I would love to have more riders from Evansville come along! The ride is happening on April 21 to 30. It is very reasonably priced and I will gladly transport you to and from Nashville for free. Check it out at <http://www.fullercenterbikeadventure.org/spring/>

Let me know if you are interested and I can gladly do a better sales pitch!

Once more I would like to say, it doesn't matter how fast you ride or how far you go, the important thing is that you get out your bike and ride! I hope you will all join the fun on a club ride soon. And seriously consider coming to the meeting on March 9 meeting at Schellers! There is no telling what you could learn!

See you out on a ride.

state of indiana cycling jersey

FROM THE EDITOR, I RECEIVED THIS LATE LAST MONTH AND WANTED TO SHARE IT WITH YOU:

I'm the webmaster for the Southern Indiana Wheelmen group in Clarksville, but I also have taken souvenir cycling pics through my "side business," Timbike2 for several years at events such as RAIN, Harvest Homecoming and a number of smaller events throughout IN and KY. (I might have even taken yours!)

One thing I've always wanted was jersey to show off my pride in my home state, but there wasn't really anything available except for university jerseys. They're great, but not what I was looking for. So, I took advantage of the state's recent bicentennial to work on a design for one of Indiana's bicycling organizations, but, due to some unforeseen "hoops and hurdles," the timing just didn't work out.

In an effort to not waste the work that was already done, some modifications were made to the design, and the good folks at Peak 1 Sports(wear) put together a product that I'm really rather excited about. I wanted to let you

(and your club members) know about this in case you're looking for something to put in your next newsletter - I know our SIW editor is ALWAYS looking for more content!

Anyway, this jersey is "all Indiana," and a portion of each sale will be donated to the Indiana Trails Fund (a 501(c)(3) branch of the Hoosier Rails to Trails Council) to help promote, develop and maintain cycling trails throughout our state.

The link below is for a Facebook page - from there you can see the design and follow a link to the ordering page provided by Peak 1.

<https://www.facebook.com/Indiana-Bicycle-Jersey-188982354914294/>

Now, if Spring will just hurry up and get here so we can ride (more enjoyably)!

Thanks,

~ Tim Meyer

EBC RIDE NOTES-MARCH, 2017

Club Meeting on Thursday March 9.
Presentation by Scheller's
NO MEETING AT ROCA BAR in March!
SCHELLER'S CYCLING AND FITNESS
IS HOSTING US THIS MONTH!!

Please come join us as we learn about bicycle maintenance, bicycle fits, tire changes, etc. Scheller's Fitness and Cycling will provide dinner and drinks. Please come early to shop, munch, and mingle starting around 6:15. Presentation begins at 7:00. Come out and see what Scheller's can teach you for the new riding year.

Ride Hosts We are looking for ride hosts for the spring. It isn't too early to start planning that special ride you want to host. The weather will be warm again before we know it. (Or at least I hope it will be.)

Be sure to let Diane Bies know what you have planned and when so she can get it on the calendar with no conflicts.

EFFECTIVE MARCH 12
DAYLIGHT SAVINGS TIME IS BACK!!!

Monday evening rides at the 4-H Center are back on the calendar with Daylight Savings Time. This ride will be at 5:30 so we can finish before dark. Consider planning to stay for dinner after with the other riders. This is a great opportunity to get to know others.

Tuesday evening rides at Olmstead are also back. These are only 17 mile rides for March and will start at 5:30 also. Safety is a concern!

Wednesday night rides at Garvin Park Consider coming early if you want extra miles. You can earn up to 20 miles on these circuit rides in the park. We are staying in the park due to potential flooding on the Greenway. Lights are no longer required after the time change as we should be in by dark at 7:00. Consider planning to stay for dinner after with the other riders. This is a great opportunity to get to know others.

Thursday mornings at Mesker are back. We have spent the last two months at Newburgh on Thursday mornings because the roads there are cleared in the winter better than the west side ones. However, we are assuming winter is passed and going back to rotating the Thursday morning rides between the Old Dam and Mesker Park.

Thursday night rides at Newburgh Old Dam is a new addition. Again only the 17 mile route is on the schedule for a 5:30 start.

The Club Centuries are also back on the schedule!!! We are riding the Tennyson Century or a Touring Century this month on Thursday March 23 and Saturday March 25. Meet up at Crossroads Church at 8 AM for a fun day on the bike.

**GET OUT AND RIDE!! WE HAVE PLENTY
OF OPPORTUNITIES TO RIDE WITH FRIENDS
ON THE CALENDAR.**

COME JOIN IN THE FUN!!!!

**MAYBE IT WILL STAY WARM SOON.
SPRING ARRIVES ON MARCH 20.**
