Diane Bies

Wow

What a summer of adventure I had this year! I spent a week in Indianapolis building a house, came home for two weeks, then pedaled my bike from Portland, Maine to Key West, FL.

It was a most amazing adventure made even more special by the fact that my youngest daughter, Nicole, rode it with me. All this fun was done with the Fuller Center for Housing. We were blessed on the ride with wonderful weather and a safe trip through so many states. I biked through New York City, Philadelphia, Baltimore, and Washington D.C. We crossed tons of bridges, many of them were draw bridges and others were really high.

We spent the bulk of our time very near the coast but went into Orlando, Florida for the second build day of the trip. We were given some free admissions to Disney for our rest day on Sunday. Then we pedaled back to the beach and past so many magnificent homes, including Tiger Woods' and other celebrities' Palm Beach homes. Riding through the Florida Keys was quite exciting. I saw so much amazing wild life and too many iguanas and other strange animals.

I feel like I have been off the grid all summer. I apologize for anything that I did not get accomplished around here. All I can say is, it sure is nice to be home to our painted routes, nice pavement, great friends to ride with, and a schedule that does NOT include daily 80 + or - mile rides, rolling up your bed roll, and packing your bag every morning. But I wouldn't trade the fun I had, and the memories we made, for anything.

Now it is time to ramp up all efforts for the Great Pumpkin Metric. There are still many spots to fill with volunteers. Please contact me if you are interested in working on Sunday October 1. We need people any time during the

The President's Letter

day. If you cannot work in the morning, please volunteer in the afternoon when people who have been there all day are getting tired. We also need to get the word out to the community that this event is happening and they should all be there! It would be great if we could get some schools or businesses to send large numbers of people out for a healthy pursuit for the day.

Toyota does a great job of getting their people involved. Please talk this up in all of your circles, biking and otherwise. If anyone would like some posters and flyers to spread around, we have plenty. Just contact Diane Bies at 812-453-9966.

I will gladly bring you some. I am excited to see some hosted rides on the calendar in September. These are always great opportunities to ride and visit with fellow club members. We are riding to Mystique Wineries as a club on Sunday September 10 and then Tom Gabe is hosting his ride on September 17. Two fun Sundays in a row to be followed by the Pre-pumpkin ride on Sunday September 24. If you look at the calendar you will also see a ton of fun organized rides available around the area too. So much fun to be had!

The heat has finally dissipated and sadly the days are getting shorter again. Everyone seems to be in prime shape these days. It is a great time of year to be out on a bike. Be sure to ride the pre-pumpkin the week before GPM.

Then be ready to work on October 1 as we host our community for the greatest day of cycling fun in Evansville! Come help make it great. This is your club and your opportunity to make it shine.

Evansville Bicycle Club Meeting Minutes

June 8, 2017

Meeting was held at Roca Bar on S. Kentucky Ave., Evansville

Present:

Diane Bies	Kara May	John Nelli
Kevin Otolski	Bill Majors	Jane Buchta
Paul Jensen	Bill Vogel	Dan Armstrong

President Diane Bies opened the meeting at 6:30 p.m.

May Minutes were handed out to club members present. John Nelli 1st the approval and Bill Majors 2nd. Minutes were approved as presented.

Treasurers report:

Gary Gardner was unable to attend meeting so no report was presented.

Membership report:

Kara May announced that we have 1 new member, 5 renewing members and a total of 172 dues paying members. We need to order new business cards. Business cards last us a long time so we discussed whether or not to resume issuing dues cards. Due to the low cost of business cards we will resume sending them to all new and renewing members.

GPM:

- Paul Jensen will reach out to Atlas Van Lines, Toyota and Donut Bank on their sponsorship for this year.
- Rusty Yeager will get with Dave Yeley and/or Paul Sluder on logo for GPM shirts and other printed material needed.
- Diane will get with Gary Gardner on getting with Heritage Federal on their Sponsorship for this year.
- Darlene is still helping Diane get food donations for the ride. Those sponsors need to be obtained for printing also.

Ride Schedule:

- Diane mentioned that the ride sheet dated 5/16/16 had some wrong mileage listed. She will look into the error.
- Mt Vernon century being added to the schedule was mentioned at a previous meeting. Diane just need to add to the ride schedule. This will be done after the ride cue sheet is available on the website.

Old Business:

- Wrestling for MS - Matt Rundle has offered to ride with the Wrestling with MS as a representative of EBC. He has MS and will do a great job encouraging others.

New Business:

- Streets Alive Paul Jensen feels turnout was down due to several road construction projects going on in the area. Streets Alive will also move their date next year to a Sunday again.
- Diane Bies mentioned we need new and more signage for the smoothie booth at Streets Alive to draw more attention. Paul Jensen and Bill Voegel agreed.
- Paul mentioned the 5 bike share locations: 5 downtown, 1 at U.E and 1 at the sports park with more to come.
- Paul Jensen stated that Kohls will no longer be a sponsor for the bike helmets. Questionable on if there will be a helmet fitting this year at the Otters game.
- Kevin Otolski mentioned adding a 4-H ride to the Wednesday night schedule. There is a group that rides at 5:30 (some 20 mph and some a little slower). Kevin made the motion to add to schedule, was discussed, Bill Vogel 1st and Bill Major 2nd the motion, all in favor and motion was approved. This new ride will appear on the July Schedule.
- Kevin Otolski stated that some routes are now on the "Ride with GPS" app. Need to see if Jay Vercelotti can add us to the app and then add the app to our website. Kevin will talk with Jay.
- Diane Bies brought up the fact that there are NO rest stops on the Boston routes. It was decided that is not that big of a deal as long as the riders are aware of it before starting the route.
- July meeting will be cancelled due to several members being unavailable.

Meeting adjourned at 7:25 p.m.

Respectfully submitted,
Kara May
