The President's Letter

Wow! We had a very successful GPM this year. I must admit there were several occasions on which I said I'd like to not have EBC put on the ride in 2017. After seeing so many people step up, and volunteer, and roll with, and solve the changes/issues as they came along... All I can say is EBC is one great group of people. Thank you all! There are so many people to thank. I hope I don't leave any out as I attempt to list you all. Gary Gardner takes care of all the activities at the 4-H Center.

Rusty Yeager and his regular crew take care of the registration and merchandise sales. Mark Oliver and his trusty crew drive the supplies around setting up rest stops and breaking them down and other details including the tents, tables and porta-pots. Jay Vercellotti takes care of gathering and organizing the SAG drivers so we have plenty of support for our cyclists. Eugene Brouillard mans the awesome pasta we serve to our riders with the help of another large group of volunteers.

The amazing rest stop volunteers and food were my duty as rest stop chairman. I can't thank each of those volunteers enough including the Southern Indiana Triathlon Team and the Evansville Ski Club.

Some unseen heroes this year include Darlene Wefel who helped procure most of the food we had this year. Melissa Stepro took care of the chili, donuts, Tin Man brewery and the band. Dave Ashworth was out of town during the ride but took care of route marking and assured parking would be cared for by Dave Shrimpton before he left. Dave Shrimpton stayed all day working pasta when the parking was complete.

Then there was Sherrie Plouchard, a new member, who came with her cane and worked registration then helped with other areas around the Swine Barn. Terrence McGinnis called me and offered to do photography again this year and proceeded to do another amazing job.

The guys who manned the Burdette Park rest stop all came back to the Swine Barn and stayed for the afternoon clean up at 4:00 as well. Bill Voegel stepped up to help Eugene with pasta, including

kitchen clean up, giving up his SAG job. Ken Hermann drove SAG for the 25K route and took lots of photos of the riders while out there.

Thanks go out to Kyle Rickenbaugh and Scheller's Fitness and Cycling for bringing out merchandise for our riders to buy as needed. Scheller's also provided on site bicycle repairs and adjustments and a SAG support driver. Ben Moll of Cycling Solutions was also on site for bicycle repairs and adjustments.

Basically, there are so many people who spend a lot of their time working to organize the Great Pumpkin Metric each year. There are so many people who enjoy riding the GPM each year. There is so much fun had by so many, including our hard working volunteers.

And to think I wasn't sure it was really worth it all!

A sepia-toned photograph of a skeleton wearing a top hat, riding a bicycle. The skeleton is positioned in the center of the frame, facing forward. The bicycle is a classic diamond-frame model with thin tires. The background is a plain, light-colored surface. EBC RIDE NOTES

Our **Saturday rides** are all over the place this month. The normal ride time on Saturdays is still 9:00. However in November we are having two 10:00 Saturday rides due to various considerations.

Watch the calendar for location and times for the Saturday morning rides.

The afternoon rides still start consistently at 1:00 and are mostly at Elite Fitness off of Kansas and highway 57. We actually park on the access road off of Seib just north of Elite Fitness.

There is a **CLUB MEETING THIS MONTH on Thursday November 9** at the Roca Bar on S. Kentucky Ave. The food there is great. The meeting starts at 6:30 but you are encouraged to come around 6:00 for some dinner and social time. Please come and share your input. We will also meet in December on the second Thursday, December 14.

The **club century** for November is happening on **Saturday, November 11** and **Thursday November 16**. The route on the calendar is the Santa Claus route starting at Crossroads Church at 8:00 AM.

As always in November we have the **Pumpkin Pie ride** coming up on **Saturday November 18** at **Mark and Debbie Oliver's home**. This promises to be a fun and well attended ride. Mark your calendar now! Lots of fun and good food for all! Remember that even if the weather is bad, you should come for the social aspect of the after-ride party. This ride starts at 10:00 AM and the party usually starts around 11:30 I believe.

On **Friday, November 24** we will also have our annual **Day after Thanksgiving Day ride**. It is held at **Dogtown Boat Ramp** on Old Henderson Rd. What a great way to get out and work off that feast you over ate on Thanksgiving Day!

Come out to join us on **Wednesday nights** after work for circles in the park at 6:00 PM. We ride for an hour and or up to 20 miles. It is really an enjoyable ride as there are fun people there to visit with, the air is crisp and refreshing, and you can stop at your car as needed to add or remove layers if you don't dress quite right. It only lasts an hour!! After that hour of fun riding some of the riders go to

dinner together and visit and share stories at a restaurant chosen by those who are riding and eating. You must have lights but they can be purchased very reasonably at the bike shops or even the discount stores. Come check it out! You can't get lost and if you get dropped or want to ride faster, you are never far from the other riders. Come join us for some fun.

Most of all KEEP RIDING!! If you add a few layers, riding in the winter is really fun! If you want to know what you need to wear, ask any of us "crazies" out riding on the cooler days, we will be happy to share our thoughts and recruit others to ride through the winter too!
