The President's Letter

Boy, January was not the month for gathering a lot of miles on a bike in Evansville. I have no idea how many centuries Rusty already has logged. Probably not 31 for January, but I know he rode some on some really cold nights.

With all the snow and the cold temperatures it seems too many people have hung up their bikes for too long. There was a nice crowd out for the Sunday afternoon ride on January 28 but still... Let's start fresh here in February and get out and ride!

Saturday night was the Annual EBC banquet and awards. Kara May and Bill Voegel were responsible for the nice venue and the reservations. Thanks to them, we had a nice crowd. Congratulations to all who were recognized this year for your many personal accomplishments.

Rusty did another outstanding presentation this year with a focus on a little history of EBC. It paid to be an "old timer" to know the answers to the questions but the information gained was most entertaining. We have a rich, crazy history. So many wonderful people have ridden with EBC through the years. It was great to see some comparisons of miles and centuries ridden by the total club membership per year since the start of statistics being kept by EBC.

Our mileage numbers and down and even the century count is down, but I know we can turn that trend and make this another banner year for EBC mileage if everyone will just get out and ride a little more. I will try to do my part, how about you?

Thank you so much for our banquet sponsors: Scheller's Fitness and Cycling, Ultimate Fit Shoes and Home Fitness, and Cycling Solutions Mobile Bicycle Shop. There were many nice door prizes provided by

these sponsors. Please give them your business in return. We also had door prizes provided by Donna Leader, Caron Leader's mother, in the way of 5 cute bicycling Christmas tree ornaments. There were table prizes of candle holders with candles provided by Bill and Kathy Voegel for each table.

So many people went home with something extra this year. Such fun! We are still looking for a GPM coordinator for 2018. It really is not that hard of a job. I ended up serving in that position last year. There

are some things that could be done better with a person with more ability to focus on the ride more than I did, but it all came off just fine in spite of me.

Each area of the ride actually has a captain who has been doing that job for quite some time and will continue doing that coordination portion this year. So really the job entails a few little last minute chores and overseeing the various captains who know how to do their jobs already. I have been the rest stop coordinator for a number of years now. I could gladly give that job up too if someone would step up. With Darlene's retirement there might be a bit more for me to do with the food procurement but again,

I am happy to work on that also. As you can see though, I am beginning to wear too many hats and need some help. The other GPM jobs we really need to fill, or start, are sponsorship collections (this needs to be completed by June if possible) and publicity (which needs to start asap) so that we can get more people involved in riding the GPM.

continued on page 4

The President's Letter

Last year we got very little press time due to my lack of attention to this area. Please get with me sometime if you could help out with any of these jobs.

My last request for now is for ride hosts. We had very few hosted rides in 2017. These are great opportunities to meet your fellow riders for some social time along with a bike ride. Weather can be unpredictable, but we are known for coming together for fun even if we cannot ride for some reason when there is a hosted event scheduled. I don't believe anyone rode the Pumpkin Pie ride in the rain this year, but there was a nice gathering all the same.

On New Year's Day, the weather was just too bitter cold for anyone to ride and yet we had about 20 club members at Lamasco for some fun conversation and good pizza provided by the club and beverages bought by attendees. It is always fun to be able to talk and catch up with each other. So feel free to host a ride from your home or place of business or just organize a fun ride for

EBC to help sponsor like the ride to the Lynville Winery this past summer. Be sure to let me know so I can get it on the calendar and the members will come.

Whew! Sorry for being so long winded. Let's make 2018 the best year yet for riding with EBC. Welcome new members and help them find others to ride with at their pace. If you don't know someone, introduce yourselves and others to them. We need to get more people riding more miles if we are going to stop the downward trend on overall miles ridden by EBC members.

Grab a friend and come out and ride. Be sure to sign in on the sign in sheet so we know you are there and you get the benefits of club membership while riding even if you don't expect to make 500 miles for the year. They all add up. Let's all do our part! Ride and enjoy!

2017 BANQUET RECAP

EBC Banquet and Awards Night Recap for 2017 Awards

We had a great dinner at the Old Mill Restaurant on Saturday, January 27, 2018. There were 60 club members in attendance. It was great to have several charter members and some new members and lots of in-between members there. Everyone who rode over 500 miles received their recognition.

Those riding 10 or more centuries were also recognized for being in the Century Club.

Yvette Wassmer was our photographer for the evening. Her many photos can be viewed at

<https://markoliver.smugmug.com/Evansville-Bicycle-Club/EBC2018/EBC-Banquet-2018/>
