## Diane Bies *The President's Letter*

I am writing this as I ride out to the Pacific Northwest. This is a beautiful country! I must say I am feeling very blessed to have seen so much of it both from a car and a bicycle.

This is my third full cross country journey in the car and I have done several parcels of it by bike. Oddly enough I really don't think I aspire to do the whole thing on bicycle. I have thoroughly enjoyed my time on a bicycle and my time in the car. It is just so long! So beautiful, but so long! This trip has taken me to two new states, Nebraska and Wyoming. I still must see North Dakota and Alaska and then I will have been to all 50 states.

As most of you know the cross-country bicycle touring I have done has been with the Fuller Center for Housing. Each summer they offer a trip cross-country; this year they are offering two routes. The leades of the northern route stopped by my house for an overnight on their way west. Bill Voegel and Bill and Helen Johnson joined us for pizza that night at Turoni's to show some Evansville hospitality since they both have been involved with Fuller Center some. The southern route of the Fuller Center Bicycle Adventure comes tremendously close to Evansville July 15 to 21. On Sunday July 15 they will be in St. Louis, MO. Riding to Centralia, IL on the 16th then Fairfield, IL for the night of July 17. On July 18 they will ride from Fairfield, IL to Huntingburg, IN and from there to Louisville, KY on July 19. Friday July 20 will be a Build Day in Louisville and then on Saturday they will ride into Cincinnati. I know I will be on some of the ride and will be working on the build day in Louisville.

It would be so fun to have you come along! I will work on logistics when I know who all is going to where. Please consider joining the fun as a week rider, day rider, support driver,

or a construction worker. These are great people riding for a great cause, eliminating poverty housing. It would be so nice if EBC could make them feel at home and welcome to our area as they come through!

Speaking of hospitality, we have a couple of opportunities to turn on our charm on the first weekend of June. The Hoosiers Out On Tandems are having a weekend outing to New Harmony. We have been invited to ride with them on their Saturday morning

ride. I hope many will be able to ride that morning with this group. No tandem is necessary and of course no registration. It is our scheduled Saturday morning ride.

Sunday afternoon we will again be hosting a booth at Streets Alive in Garvin Park. There will be a parade down N. Main Street from Division to the park. See John Nelli for more details on the parade and Paul Jensen for more on Streets Alive. Turn on your charm and remember to wear your EBC jersey from the GPM or just the club jersey.

As you go out on regular club rides you will notice the routes have all been recently repainted. Bill Voegel has been busy with his volunteers helping to keep us on the path this summer. Thank you Bill Voegel, Kathy Voegel, Dave Shrimpton, Dave Ashworth, and Colette Loehrlein for remarking the routes this spring. They have worked diligently to get the routes all spiffed up. Thank you also to everyone who made May a great Bicycle Month.

We had a successful Ride of Silence this year thanks to John Nelli stepping up to lead the ride for us. It is always

a good experience to ride slowly in silence to remind others and ourselves of those who have been hurt or killed by vehicles on our roadways while bicycling. I hope more of you will be able to participate next year. It is always on the third Wednesday of May so please plan ahead.

As to June, the days are definitely getting longer. I hope everyone is enjoying the extra daylight hours out on your bike. The evenings are a great time to stretch your legs. We have a ride offered Monday through Thursday nights. Come out and join us! There are so many fun rides offered both on Saturdays in the area and also full weeklong bike tours. Our Sunday rides are moving to 2:00 in the afternoon. We had several people wanting to have the ride earlier so they could enjoy the evening with family. It was brought up, discussed, and voted on at the meeting in May. Check out the calendar and ride notes for more details on all of this.

July is another great month to share our love of cycling. The Easter Seals Rehabilitation Center is offering the I Can Bike program again this year. This is an amazing program where special needs children learn how to ride a bicycle. It

is a weeklong program using adaptive bicycles and a special program that helps the students gain independence on a bicycle. There are one-hour time slots offered each day pretty much all day long.

The students come all week at their designated time. It would be great if we could offer some manpower to help with this program. It is a very rewarding way to spend your time. We do offer a scholarship to help some of the participants be able to afford the program. Please contact Paul Jensen at 812-760-6158 to volunteer, or email Patty Balbach at pbalbach@evansvillerehab.com

Be safe out there and enjoy the warmer days. Soon I will be back to the old familiar roadways of home. I really appreciate our routes every time I am away and come back, which is too frequently for my tastes these days. I hope you enjoy and embrace them too.

Happy June!

# JUNE EBC RIDE NOTES

## EBC RIDE NOTES FOR JUNE 2018

Please note that this month our Saturday rides are all over the place!

**Saturday June 2** we are at the New Harmony Inn in the morning at 8:15 for a ride with the Hoosiers Out On Tandems ride. No tandem is required to ride this one. We are trying to welcome this group to the area by riding and visiting with them that day. We would like to have them come to the GPM potentially in the fall of course. The afternoon ride will be at Dogtown ten at 1:00.

**Our June 9** ride is the usual Dogtown offering but we start earlier at 8:30 to beat the heat in the morning. That afternoon ride is at 1:00 also from Dogtown Boat Ramp.

**Saturday June 16** we will join Tour de Ville for a ride from Silver Bell in St. Wendell in the morning and the afternoon ride will be at Dogtown Boat Ramp.

**Saturday June 23** the rides are at Henderson County High School. It is a nice change of pace and some different scenery well worth the drive. I apologize for not catching that start time should be 8:30 rather than 9:00 that morning. But the calendar says 9:00.

**Thursday evening rides** are at Scott Elementary School this month and start at the usual 6:00 pm.

**Club Meeting on Thursday June 14, 2018.** Again we will have social time starting at 6:00. Come early and visit and share your thoughts. Enjoy dinner with your fellow EBC members. We actually sit while we eat for a change.

**Thursday June 21 and Saturday June 23** are the dates for the club century this month. It is the Tennyson or Touring route. New start time!! Be there at 7:00 am.

**On Saturday, June 2 Ride the Fault Line begins.** This is a week long tour of the New Madrid Fault Line area. It starts and ends in Sikeston, Mo. This is one of the flattest week long tours around. Check it out at [www.ridethe-fault.com/](http://www.ridethe-fault.com/)

**On Saturday, June 16**, the Kentucky Century Challenge continues with the Bike Morehead in Morehead, Ky. They offer a 25, 50, and 100 mile route. Check it out at <http://www.bikereg.com/bikemorehead>

**On Saturday, June 16, GOBA begins.** This is a week long tour – Greater Ohio Bicycle Adventure. This year's tour circles around the Columbus, Ohio area. It is a family friendly ride. Check it out at <http://goba.com/wordpress/>

**Looking to July:**

**Keep your eyes peeled for a special ride on July 4. Hoping for a hosted ride that day.**

**On Saturday, July 7**, we offer the annual ride to New Albany. You must have your own sag to get back to Evansville after the ride. This is a great training ride for those who are doing RAIN in July this year or others who are just looking for a challenge. It is a very hilly 122 mile ride.

**The week of July 9 to 13** the Rehab Center is holding their annual I CAN BIKE sessions. This is a great opportunity to volunteer to help those less fortunate than us to learn to ride a bike in a week. It is a very rewarding experience. See the link to register or contact Paul Jensen at 812-760-6158. <https://www.icanshine.org/evansville-in/> or email [pbalbach@evansvillerehab.com](mailto:pbalbach@evansvillerehab.com).

**The following week, July 15 to 21 has two fun opportunities available.** Fuller Center Bicycle Adventure comes tremendously close to Evansville July 15 to 21. On Sunday July 15 they will be in St. Louis, MO. Riding to Centralia, IL on the 16th then Fairfield, IL for the night of July 17. On July 18 they will ride from Fairfield, IL to Huntingburg, IN and from there to Louisville, KY on July 19. Friday July 20 will be a Build Day in Louisville and then on Saturday they will ride into Cincinnati, Oh. I know I will be on some of the ride and will be working on the build day in Louisville. It would be so fun to have you come along! I will work on logistics when I know who all is going. Please consider joining the fun as a week rider, day rider, support driver, or a construction worker. These are great people riding for a great cause, eliminating poverty housing. It would be so nice if EBC could make them feel at home and welcome to our area as they come through!

**RAINSTORM is happening that Monday through Friday with RAIN on July 20.**

## Dan Henrys of the EBC

*From Wikipedia, "Dan Henry (1913-2012) is the inventor of directional pavement markings commonly used to guide participants along the route of organized bicycling events."*

A few dedicated volunteers work hard each year to keep the EBC routes marked. Weather and road work take their toll on the marks and they often need to be refreshed. I know how helpful these marks are for new or infrequent riders who want to follow the route without getting lost, so I want to thank everyone who has ever marked a route.

If these are new to you, here's the most important thing to know. The line extending from the shape tells you which way to go. I remember when I first saw the Dogtown marks 18 years ago, I thought it was a stick picture of a unicycle! Needless to say, I couldn't figure out how to follow the marks.

# Evansville Bicycle Club Meeting Minutes

## March 8, 2018

Members present:

|                |             |
|----------------|-------------|
| Diane Bies     | Kara May    |
| Jeff Lancaster | John Nelli  |
| Mark Oliver    | John Bosko  |
| Gary Gardener  | Keith Weyer |
| Paul Jensen    |             |

Meeting called to order at 6:30 pm

Minutes from February 8th meeting were presented and approved

### **Kara May - membership**

For February to date we have 2 New members, 2 renewing and a total of 160 current dues paid members.

### **Gary Gardner - Treasurer**

Account balance as of March 8, 2018 is \$38,897.61

Approved treasurer's report

### **Old Business:**

Discussed responsibilities of GPM personnel. Need to get job descriptions into Diane by May 1st.

### **New Business:**

Gary brought up the applying for a 501.C3. The process of filing is lengthy and time consuming. The matter was discussed and we felt this was not a benefit to the club. EBC biggest revenue is the GPM entry fees and that is tax exempt. This will not be revisited.

Paul Jensen presented the 2018 Evansville Bicycle Club Advocacy Proposals. The various groups EBC makes donation to will receive the same amounts funds and will be distributed in the same manner as in 2017. Excluded for now will be AmBusc and Kara May will reach out to them to see if they would be willing to make a presentation at an upcoming meeting. Gary Gardner motioned to approve the distribution of funds and John Nelli second.

Club member charity ride will be allocated the \$2000 as in the past. Paul Jensen will need verification of ride from requesting members before submission of donation request will be made.

Paul spoke with the head of the Evansville Parks Board and they were in favor of EBC putting down permanent markers for sites of club rodeo's. Cost is approximately \$500.

### **April meeting will be cancelled.**

Mark Oliver brought in with him all information (deposition, photos and club minutes) pertaining to the Sam Wolf accident case. This information will be sealed and placed in the club storage unit. The Publisher Pro program was surrendered and Mark Oliver motioned we give it to the Goodwill. Gary Gardner second the motion.

Meeting adjourned at 7:40pm.
