The President's Letter

As November comes to a close, I reflect on another wonderful month. I have so much to be thankful for, but my bicycle, the friends I have gained, and experiences I've had through EBC are at the top of my Thanksgiving list.

I am beginning to feel my feet under me again. It has been a crazy year for me. When I look back on it and all that happened in my world, I wonder how I survived it without a nervous breakdown and or an extreme illness. I really can only find one answer and that is that I continued to cycle through it all. My bike is my lifeline for sure! I am a firm believer in putting on your own oxygen mask first and my bicycle was my oxygen mask this year.

Thank you to all who survived my grumpiness as I was really on edge. And thank you also to those who rode with me and kept me going on rides. Additionally, after I just refreshed the marks for the Elite, Elite TP, 4-H, and Scott School rides with the help of Bill Majors, I have to tip my hat to Bill Voegel and his army of volunteers who keep our routes marked throughout the year. There has been a lot of new pavement put down this year along our routes. We hope to get all the routes remarked so no one should get lost this winter or spring. It is a real challenge to find the time when the weather is right, not too cold or damp or windy. If anyone would like to help I am sure he could use the volunteers. It is a huge job!

This month held Mark and Debbie Oliver's wonderful annual Pumpkin Pie Ride. The route was well planned and marked, the weather even allowed us to ride this year. In fact it was a pretty perfect day. A nice crowd came to ride and help eat the wonderful food the Olivers had prepared.

We were treated to pumpkin pie of course along with lots of other delicious food. It is so great to have opportunities to come together with other bikers, off our bicycles. We can actually visit with fellow club members with no concerns of traffic, pot holes, turns, or hills after an enjoyable ride.

Thanks you so much Mark and Debbie. We are planning a couple of more fun gatherings in January. On New Year's Day we will ride and meet at Lamasco Bar and Grill after for some food and social time. We had a great crowd last year and hope to have better weather and lots of people again. EBC buys the pizza and you buy your beverage and anything else you want.

Then at the end of the month we will have our annual EBC banquet at DiLeggi's this year. Rusty always puts on a great show and the food and fellowship should be great this year too. We will be electing officers for 2019 at the banquet also. Please make your reservation once the notice come out. Lastly I must say how great it is to have other cyclists show up for rides after the riding season has ended for so many. It's nice to know there are others riding in the dark parks on Wednesday evenings, even if I am doing circles alone at my own pace. Any scheduled ride holds the hope of someone else showing up for the ride. Then if no one is there, you find yourself riding and enjoying being out. Sunday afternoons when we ride together are so awesome. Any ride, any time, anybody... riding is just much more fun with other people and I am so grateful for all the people in EBC!

Dear Diane, Gary and Paul,

On behalf of the Southern Indiana Friends of AMBUCS Chapter (SIFA), I would like to extend our sincere gratitude and appreciation for the very generous Evansville Bicycle Club donation of \$800.00. Your donation will go toward the purchase of an adaptive tricycle for an individual with physical disabilities or other special needs in our community who would otherwise be unable to ride a bicycle. Being able to ride an adaptive tricycle helps to level the playing field for these individuals. Seeing the smiles on the families' and children's faces when they receive their adaptive AmTryke says it all. Your organization's generosity supports the "Every Kid Needs a Bike" AmTryke® Therapeutic Tricycle Project and helps local kids' dreams come true.

When a parent/guardian or individual of any age requests an AmTryke and is unable to cover the costs, Southern Indiana Friends of AMBUCS, Inc. places this request on our AmTryke Wish List. When full funding is available, we contact the individual's sponsoring therapist as well as the parent or guardian and make arrangements to deliver or present the AmTryke.

Without community donors and sponsors such as the Evansville Bicycle Club the wait for a therapeutic tricycle would be much longer. Thank you once again for helping Southern Indiana Friends of National AMBUCS, Inc. provide AmTrykes to kids who benefit from the use of this unique therapy and recreational equipment. The AmTryke Wish List is successful because of the kindness of people like you and your community organization. Again, thanks for partnering with us!

Sincerely,

Phyllis Fenneman

EBC DECEMBER RIDE NOTES

December weather can be a bit more brisk but we have plenty of fun opportunities to ride. Riding in the cold is not so bad if you dress right. Keith Weyer regularly reminds us "there are no bad riding days, only bad clothing choices". Layer up and get out and ride. There are several of us who ride year round here.

Our monthly club meeting is scheduled for Thursday December 13 at 6:30 at the Roca Bar on S. Kentucky Ave. This is your club. Please come to the meeting and offer your input. We are discussing ideas on how to allow mileage for 2019. There will be discussion on what rides should count for credit and some adjustment on other issues. Please come at 6:00 for social time and the meeting to start at 6:30.

The Club Century is scheduled for December 8 and 13. We will be doing the Folsomville Route or the Touring Route.

Wednesday night rides will all be at Wesselman Park this month due to the Festival of Lights at Garvin Park. Dinner after the ride is a fun incentive to get out on a cold night. Join us, even if only for a beverage. This ride is for one hour (6:00 - 7:00 pm) on the very flat road at Wesselman Park. There is minimal traffic. Bring your lights and come well dressed, layers! Riding at night can

be very refreshing and invigorating, especially in the middle of the week. Some people start early to get a full 20 miles in but feel free to join any time and ride as many miles as you can.

We will have a special ride on Tuesday January 1 at 1:00 pm. Come celebrate New Year's Day. We will meet at Lamasco for a 24 or 31 mile ride or you can do some miles on the Greenway. Please come join the fun. We hope to eat around 2:30 for those who want to just come for the party. We had a great time at Lamasco last year although I don't think anyone rode that day. It was COLD! You must buy your own beverages. EBC provides the pizza.

Remember to mark your calendar now for the Annual EBC Banquet to be held on Saturday January 26th at the DiLeggi's on N. Main. We will be in the banquet room just south of the normal restaurant. This will be a new venue for us but should be very tasty and nice. We have a great menu planned.

Hope to see you out on the road finishing up any personal goals for 2018. You can do it!

Remember, it is never too early to start working on 2019.
Come out on January 1 for a great ride!

October Evansville Bicycle Club minutes

10/11/18

Meeting was held at Roca Bar on S. Kentucky Ave., Evansville

Present:

Kevin Otolski, Diane Bies, Jay Vercellotti, Paul Jensen, Gary Gardner, Kent Miller, John Nelli, Jeff Lancaster

President Diane Bies opened the meeting at 6:30 pm

August Minutes were handed out to club members present and read by Jeff Lancaster. Paul Jensen 1st the approval and Kevin Otolski 2nd. Minutes were approved as presented.

Treasurer's report:

Gary Gardner presented and briefly discussed the balance sheet & income spreadsheet and indicated that the majority of the GPM income data was not available at the time of this report. As such, he expected a more thorough accounting of the GPM at the November meeting.

Membership report:

Via text message from Kara May, EBC has one new member since last month, one renewal and 15 inactive. Total dues paid \$138.

Website/Facebook:

Jay Vercellotti reported EBC now has 730 Facebook members. The website is down to 171 unique visitors from over 1000 in the past.

Old Business:

Kevin Otolski mentioned that the 2nd Annual winery ride scheduled for October 14 may need to be postponed due to the weather forecast with a high chance of rain and cool temps. Kevin also informed that the proposed joint club ride with Owensboro has been postponed until the spring/summer of 2019 (due to schedule conflicts).

New Business:

Diane Bies announced she would be stepping down from the presidential role at the end of 2018. She also said she would consider being GPM Coordinator as long as there would be a separate Rest Stop Coordinator role. Otolski suggested that we figure out who will be filling all board seats by January 1.

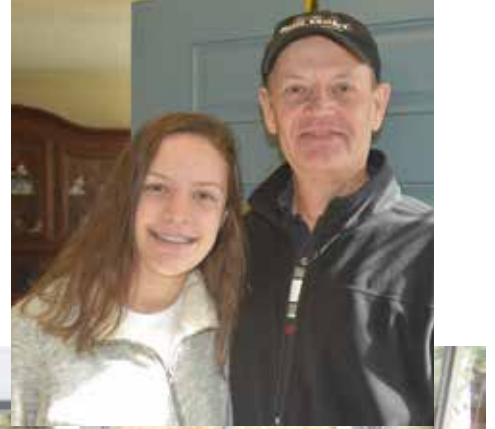

Paul Jensen proposed having four (4) general membership meetings per year at a library or subsidized restaurant, maybe after a ride. These meetings would help promote member involvement and boost preparations/volunteer activities for GPM, with the fourth of such meetings occurring 2 weeks after GPM to discuss results and fine tune improvements for future events. Paul also suggested that we continue talks of EBC-subsidized host rides like we had in the past.

Several members requested that we consider moving the GPM to a Saturday like most other rides do. This change could likely promote overnight trips to Evansville to attend the GPM and allow people to return home before the end of the weekend. It may also allow many church attendees to ride GPM. Several in attendance also liked the idea of adding a 100 mile/century route to GPM.

Paul Jensen presented his latest GPM Retro shirt inventory as of 10-10-18. In summary, 66 of the remaining 453 GPM shirts were sold at the 2018 event. Thus, the current balance of old stock shirts is now 387 (2001 to 2017).

Meeting adjourned at 8:00
