The President's Saddle

Kevin Otolski • Kotolski@gmail.com

Bam, February is gone and it's almost time to say goodbye to those indoor trainers. It is also that scary time when we need to find out if last year's jerseys still fit.

With Daylight savings time just about here, it's time for evening rides to make their return. Tuesday Night Worlds (TNW) and the club Centuries make their return to the club riding schedules. Be sure to check out the March Ride schedule. Let's hope the lack of snow we received this winter doesn't decide to show up in March.

Have you been working on your ride schedule plans? I am planning to do Ride across Michigan this year (ODRAM). If you are doing something special this year you need to let me know about it.

Rusty Yeager already kicked off his year with a great showing at the 24 hour Bike Sebring. Rusty recorded a mind boggling 355 miles in 24 hours. Congratulations Rusty!

Diane Bies also hit the road early this year with her Orange Jersey. Diane was down in Georgia riding and working with her fellow Fuller Center Bicycle Adventure cyclists, building and fixing up homes for those less fortunate.

Diane also shook hands with former President Jimmy Carter.

In February at the Finance and board member meeting, EBC leadership approved the 2020 Advocacy Proposal and donations for \$4,500.

The GPM planning committee held their first planning meeting in February. The committee is working on a few new ideas for the 39th GPM so stay tuned while we work out a few more of the details.

EBC is looking for Ride Hosts. It isn't too early to start planning that special ride you want to host. I've already been working on the full Moon ride or rides!

Stay safe, warm and dry out there,

KO

EBC March Ride Notes

There will be a Club Meeting on Thursday March 12. Come voice your opinion! Enjoy some time in the company of other cyclists.

RIDE HOSTS We are looking for ride hosts for the spring. It isn't too early to start planning that special ride you want to host. The weather will be warm again before we know it. (Or at least I hope it will be.) Be sure to let Diane Bies know what you have planned and when so she can get it on the calendar with no conflicts.

EFFECTIVE MARCH 8 DAYLIGHT SAVINGS TIME IS BACK!!!

Monday evening rides at the 4-H Center are back on the calendar with Daylight Savings Time. This ride will be at 5:30 so we can finish before dark. Consider planning to stay for dinner after with the other riders. This is a great opportunity to get to know others.

Tuesday evening rides at Olmstead are also back. These are only 17 mile rides for March and will start at 5:30 also. Safety is a concern!

Wednesday fast rides at 4-H are also back. These start at 5:30 for 17 miles this month.

Wednesday night rides at Garvin Park Consider coming early if you want extra miles. You can earn up to 20 miles on these circuit rides in the park. We are staying in the park due to potential flooding on the Greenway. Lights are no longer required after the time change as we should be in by dark at 7:00. Consider planning to stay for dinner after with the other riders. This is a great opportunity to get to know others.

Thursday mornings at Mesker are back. We have spent the last two months at Newburgh on Thursday mornings because the roads there are cleared in the winter better than the west side ones. However, we are assuming winter is passed and going back to rotating the

Thursday morning rides between the Old Dam and Mesker Park.

Thursday night rides at Newburgh Old Dam is a new addition. Again only the 17 mile route is on the schedule for a 5:30 start.

Wear your green on Tuesday March 17 or risk being pinched. Happy St. Patty's Day!

The Club Centuries are also back on the schedule!!! We are riding the Tennyson Century or a Touring Century this month on Thursday March 19 and Saturday March 21. Meet up at Crossroads Church at 8 AM for a fun day on the bike.

**GET OUT AND RIDE!!
DAYLIGHT SAVINGS TIME
STARTS MARCH 8.
SPRING ARRIVES ON MARCH 19.**

Again, be aware of water across the roadway. Do not enter deep water as it may take you down. Watch out for chuck holes too! They could be lurking, very deep, under that harmless looking puddle.
