Hello everyone.

I have to start off with some sad news. Longtime EBC member, past EBC President, EBC Advocacy Chairman, EBC board member, and Evansville Trails Coalition board member, Paul Jenson passed away on Monday June 26th.

Paul was a big part of the EBC for many years. He was heavily involved in promoting cycling in the Evansville area and did a lot with youth cycling. He was always involved in the EBC cycling kids rodeos. Please keep Judith and the rest of Paul's family in your thoughts. <https://www.courierpress.com/obituaries/evc042640>

Most of us have not seen much rain in the past month or so, but that does not seem to have stopped the corn from growing. Be sure to take some extra time at intersections when you can't see around the corner if oncoming traffic is approaching.

EBC shoutout to EBC Special Olympian Josh Kempf. He won gold in the 2K time trial, silver in the 1K sprint and silver in the 5K road race. Congratulations to Josh and the EBC coaching staff.

If you were not able to attend Wes Jordan's hosted ride you missed a great ride. Yes, it rained for the first time in something like 20 days so we couldn't ride, but we do what we do second best and that is eat. It was a great time visiting and catching up with club members.

Well done Wes and Kati, going to be hard to beat this one for hosted ride of the year.

Be sure to check out the ride schedule notes as we have added some rides for kids and a few other changes.

Stay safe, and hydrate.

K.O.

THANK YOU FROM PATTY BALBACH

Dear Kevin & entire Eville Bike Club,
Thank you all for allowing me to come speak at your meeting, your very generous donation and your volunteers that came out and assisted with camp. We just completed our 18th camp and it was very successful! Your club has supported us since 2004 & I greatly appreciate that more than I can tell you. With ongoing support from generous people like you all we will continue to do a camp for many years! Thanks so much!

EBC JULY RIDE NOTES

Diane Bies • biesdi@aol.com

We have added some new rides to the schedule. Hopefully the new slower riders can come there and find out what the club is all about and feel safe and build some camaraderie and comfort. We would love to also see you at the Saturday morning rides as there are groups of assorted speeds there. **Wednesday nights at 6:00 and Sunday mornings at 9:00 we will be riding circles in Wesselman Park for about an hour.**

You can stop as needed and ride your own pace. These are great rides for kids also as the area is safe, flat, and biker friendly. We usually park on the left side just after going straight at the split, near the shelter. Hopefully some seasoned riders will also come to show you around and offer pointers as wanted.
