Fellow Club Cyclists:

I hope this newsletter finds you well even though the days are growing shorter now cutting into our evening rides once again.

It is with mixed emotions that our valued EBC Secretary, Jeff Lancaster, has tendered his resignation, which will be effective October 12th. Jeff has been an integral part of our club for nearly five years and has contributed significantly to our success during his tenure.

Jeff's dedication to his role as Secretary is commendable. He has diligently taken notes during our club meetings and has played a crucial role in keeping me organized and on track. His attention to detail and commitment to his responsibilities have not gone unnoticed, and we owe him a debt of gratitude for his service.

Jeff is not only a fantastic Secretary but also someone who can always be counted on to lend a helping hand. He has a reputation for not being able to say no to any request, which has led to some entertaining and unexpected outcomes also known as "going rogue" (inside joke!). His willingness to go above and beyond for the club and his fellow members has been truly appreciated.

Furthermore, Jeff's involvement in the GPM and his role as one of the coaches alongside Josh, our Special Olympics champion, will be hard to replace. While we are saddened by Jeff's departure, we wish him and Jina all the best in his upcoming move to Indianapolis. Please join me in expressing our appreciation for Jeff's outstanding service to the EBC and in wishing him the very best in his future endeavors.

In the interim, Adam Head has volunteered to take over the Secretary duties until we can vote in a full time Secretary at the club banquet in January. If there is anyone else interested in running for this position let me know.

As I write this, we are just one week away from the 41st Great Pumpkin Metric (GPM)

I wish to express my gratitude to all the volunteers who are generously contributing their time to support the GPM this year. We normally have somewhere in the neighborhood of 45 volunteers, and some among you have taken on multiple roles over the weekend, going above and beyond to ensure the success of this event. Your dedication is truly appreciated, and it plays a crucial role in making this event possible.

The success of the GPM is very important as this is the only fund raising event the club puts on in order to help donate to several organizations such as Ican-Bike, Bicycle Indiana, and the Evansville Trails Coalition to name a few.

I would like to give a shout out of thanks to organizer John Nelli, and all those that helped with the WIKY 104.1 FM Extortion Breakfast. Also, thanks to Diane Bies who did the legwork to get us a \$100 dollar donation from Old National Bank.

This group has donated goods and services of over \$2,800 this year.

I hope everyone has a great time whether you're working or riding in this year's GPM.

Congratulations to Jeff Erk who won last month's "Where's Mike's Bike contest". Sponsored by Endress Capital Management. Jeff won a drivetrain cleaning from Cycology Performance bike shop or \$50 in shop credit. If you missed out last month, the contest is running again this month. EBC OCTOBER RIDE NOTES

Diane Bies • biesdi@aol.com

The Great Pumpkin Metric is coming!!! Be at the 4-H center on Sunday October 1. We can always use an extra hand. Helpers needed all day or any part of the day from about 7 am to 4 pm. Thanks!

Encourage your friends to come out and ride!

We are down to weekday, weekend, and Wednesday night rides. Please consider joining us on a ride of your choice soon!

BEWARE!! Because of the season change, we have also changed the start time of some of our rides. Please consult the schedule for details.

WEDNESDAY NIGHT Circuit Rides

Circuit rides may seem boring in concept but it is really a great ride! We ride circles around the parks. The great part is that even if you can't keep up with the other riders or if you want to go a bit faster, it isn't far to the next rider at any time. You must have head lights and tail lights but they are cheap at discount stores and very reasonable at bike shops. There is minimal traffic in the parks at night also.

JOIN US FOR FUN! This is a great opportunity to enjoy the company of fellow bikers.

FRIDAY RIDES

Due to the chillier mornings to come the Friday rides have moved back to the 1:00 pm time.

SATURDAY MORNING RIDES

These rides start at 10:00 this month forward through the winter. The mornings will be cooler so we start a little later. We have consistently had a great group of riders out on Saturday mornings. The riders have been congregating after the ride for some fellowship and lunch at the designated restaurant where we start. Come join the ride and plan to visit after the ride.

SUNDAY MORNING

We have gone back to offering the Sunday 9:00 ride in the park and the 10:00 ride on our other routes. There is also the usual Sunday afternoon ride at Bluegrass FWA starting on Olmstead.

OCTOBER 6, 7, AND 8—Hilly Hundred Weekend

If you like hills this is the ride for you. What fun! Check out the website for more info! Hilly Hundred

THURSDAY, OCTOBER 12—EVANSVILLE BICYCLE CLUB MEETING

We meet monthly on the second Thursday of the month at Turoni's Forget Me Not Inn on Weinbach at Lloyd Exp. All members are welcome and encouraged to come.

This is your club, come see what is being discussed and add your opinion.

WE WANT YOU!

Dinner before the meeting is an option! Why cook, just come to the meeting and eat at Turoni's. They have great food! Social time/food starts at 6:00. Meeting starts at 6:30

SATURDAY, OCTOBER 14 —Medaryville Crane Cruise

This is a nice scenic ride with a lot of cranes passing through the area annually. Worth going for the sites! Crane Cruise (brinin.org)

OCTOBER 19 AND 21—OCTOBER CLUB CENTURY DAYS

are Thursday Oct. 19 and Saturday October 21. Note these rides start at 8:00 due to later sunrise. The route this month is the Poseyville Century or the Touring Century.

SATURDAY OCTOBER 28—OCTOBER FULL MOON RIDE

Ride starts at 6:00 pm. Sunset is at 5:55 and the moon is scheduled to rise at 5:51. Come ride by the light of the moon. Headlights and taillights are required! There will be refreshments after the ride. This is a no drop ride. Everyone is encouraged to come. No one will be left behind!

TUESDAY OCTOBER 31— HALLOWEEN

Have fun, but be safe, if you want to wear a costume to the ride. Be sure all costumes are bike friendly please!

Don't let a little cool weather keep you off your bike!

There are several club members who ride all winter and survive even the coldest nastiest weather. Actually the fall is the best time to ride as the leaves are beautiful and the air is clear and so much easier to breathe! Just ask anyone at a ride if you need help with how to dress and what gear you need.

**Think in layers and you should be fine.
No matter how far, no matter how fast, KEEP ON RIDING!!!**

Remember to wear your EBC jersey on Sundays if possible!
