Hello everyone:

With the end of the year fastly approaching, it is time to make sure the Evansville Bicycle Club is well positioned to be led into 2024. According to the EBC Constitution and By-laws, our Officer positions, (President, Vice-President, Secretary and Treasurer) are elected positions for a term of one (1) year. All officers' terms shall be limited to five (5) consecutive one (1) year terms. After five (5) consecutive one (1) year terms, an officer must step down from that office for at least one (1) year. The officer may, however, be available for election to another office.

In any event, no person shall serve more than ten (10) years total lifetime in any one office. My time as president will come to an end at the end of January or the night of the EBC banquet. It's hard to believe 5 years have gone by already.

EBC President—currently no official candidates

As of right now, our Treasurer (Khris Seger) and VP (Mario Leavell) are running for re-election to these positions. With Jeff Lancaster moving to Indy, I appointed Adam Head, Interim Secretary. Adam has expressed interest in the open Secretary

position. Currently we have 3 board of directors that are running for re-election, Gary Gardner, Jim Niethammer, and Pat Sullivan.

Along with the above positions, our Advocacy Chairman position is currently still vacant. This position I believe would be appointed by our board of directors.

If anyone else is interested in adding their name to one of the positions or needs more information, you can send a email to evansville.bike.club@gmail.com

Congratulations to Jeff Erk who won last month's "Where's Mike's Bike contest," sponsored by Endress Capital Management. Jeff won a chain waxing or \$50 in shop credit from Cycology Performance bike shop. If you missed out last month, the contest is running again this month. Look for it elsewhere in this newsletter.

We are trying to organize a Fantasy of Lights bike ride in Garvin Park. We're keeping an eye on the weather to select an ideal night for this event, and we'll promptly inform everyone once the date is finalized. We invite you to join us for a brief ride, connecting with fellow club members, as we express our gratitude to GD Ritzy's for their generous donations

to the GPM. The party planning committee is working on the annual EBC banquet. The banquet is held in January where mileage awards are passed out with a few other surprises.

After some covid years and event locations just not working out for our traditional banquet program, I hope to bring back our Master of Ceremonies, Rusty Yeager, for this season's banquet.

Stay safe, and warm out there.

WHERE IN THE WORLD IS MIKE'S BIKE?

WHERE IN THE WORLD IS MIKE'S BIKE?

Take a closer look at the intriguing photograph captured somewhere in the charming Evansville & Newburgh area. Could it be a hidden gem nestled along the riverfront, a quaint coffee cafe on a historic street, or a breathtaking vista from one of our iconic viewpoints? The possibilities are as diverse as our vibrant community!

"Guess the location" is proudly sponsored by Michael Endress, President & Financial Advisor of Endress Capital Management, L.L.C.

To win, simply channel your inner detective and submit your best detailed description of where this captivating snapshot was taken. Submit your brilliant deduction to evansville.bike.club@gmail.com with the subject of "Mike's bike"

All correct entries will be carefully collected and placed into a hat, and during the next club meeting one winner will be drawn. Don't worry if you can't attend in person; your presence isn't required to claim the victory!

Send your well-thought-out guess to evansville.bike.club@gmail.com, and you could be the lucky recipient of a special prize courtesy of Mike. It's time to showcase your local knowledge and revel in the thrill of discovery. The spotlight is on you, so seize the moment and let the guessing games begin!

December weather can be a bit more brisk but we have plenty of fun opportunities to ride.

Riding in the cold is not so bad if you dress right. A dear friend of mine always said, "There are no bad riding days, only bad clothing choices". Layer up and get out and ride. There are several of us who ride year round here.

Our monthly club meeting is scheduled for Thursday December 14 at 6:30 at the Turoni's Forget Me Not Inn on Weinbach at Lloyd. This is your club. Please come to the meeting and offer your input. Please come at 6:00 for social time and the meeting to start at 6:30.

THE CLUB CENTURY is scheduled for December 7 and 9. We will be doing the Folsomville Route or the Touring Route.

WEDNESDAY NIGHT RIDES will all be at Wesselman Park this month due to the Festival of Lights at Garvin Park. This ride is for one hour (6:00 - 7:00 pm) on the very flat road at Wesselman Park. There is minimal traffic. Bring your lights and come well dressed, layers! Riding at night can be very refreshing and invigorating, especially in the middle of the week. Some people start early to get a full 20 miles in but feel free to join any time and ride as many miles as you can.

We are trying to schedule a FESTIVAL OF LIGHTS RIDE one Monday, Tuesday or Wednesday evening this month. The cost would be \$4 per person and you can ride your bicycle through Garvin Park and enjoy the light displays. We are still working on scheduling this, hoping to find a warm and dry evening.

Watch the Facebook page for an announcement. G.D.Ritz's donates the chili for the Great Pumpkin Metric starting this year. Supporting the Festival of Lights is our way of saying thank you back to them. If you cannot ride the bicycle event, consider driving your car through to see the lights and support the G.D. Ritz's Festival of Lights 2023.

Hope to see you out on the road finishing up any personal goals for 2023. You can do it!

Remember, it's never too early to start working on your goals for 2024. Plan to start riding in January and keep it up all winter!

EDITOR'S NOTE ABOUT A LONG STANDING EBC TRADITION:

This information goes out to all my fellow TOSRV (Tour of the Scioto River Valley) participants over the years. I was fortunate to sit in on a ZOOM call with a few Columbus Outdoor Pursuits (COP) Board folks and interested veteran riders across the country in discussing the future of our favorite ride in Central Ohio in September.

Jeff Stephens, one of the COP Directors and a mainstay/director of TOSRV, gave a rather sobering account of how the ride has been losing money and ridership over the years. 2023's Ride only saw appx. 375 two-day riders. Quite a lot less than the numbers Rusty, Gary and I saw the last time we rode together in 2017. (when Sharon, Gene, Keith, Andy, me and a few others attended in the 90's ridership was close to 5,000)

In the call, we discussed several alternatives to keep the ride alive, even including cancelling the ride altogether; a shame considering it is the longest running two-day cycling event in the USA.

The full COP directorship has decided to do the ride one more year in it's current format and then consider changes to keep TOSRV but to change the format, direction, and other alternatives.

For those of you who have ridden and to those who haven't and would like to do it before changes are implemented, put September 21st and 22nd, 2024 on your ride calendar.
