Well, here we are again, thank goodness. Spring is officially here and in full swing, and by now, you've likely fully adjusted to the time change. The weather has been beautiful and regularly scheduled rides are starting to see attendance increases. In fact, by the time you read this, the club will have had it's first annual club centuries. If you've not ventured out yet for a club ride, it's time. Take a look at that ride calendar and join in the fun.

Last month, I spoke a bit about what the club did in terms of our charitable mission in 2023; donating approximately \$4,700 to various organizations. I'm excited to announce that during our monthly club meeting in March, we've taken steps towards exceeding that amount in 2024; allocating \$4,000 to charitable giving. We do believe there are opportunities abound, but we would welcome suggestions from club membership. If you know of a charitable organization or cause that shares our enthusiasm for growing the cycling community, please reach out to our Advocacy Chair, Pat Sullivan.

One of the organizations we are excited to support each year is the Evansville Trails Coalition (E.T.C.) If you are not familiar with E.T.C., their mission is to "...Connect People And Places, Promote Active Living, And Advocate For The Development Of Multiuse Trails."

This is an organization that aligns beautifully with the goals and aspirations of the EBC. Something very special they are doing in early May, is a Bicycle Rodeo. On May 4th at Lamasco Park from 10 a.m. to 1 p.m., the organization will be putting on this event to promote cycling in Evansville and to help kids learn useful on the bike skills as well as rider safety. Stay tuned for more information on Facebook (Evansville Bicycle Club Connections). If you are interested in learning more about what the E.T.C. does, visit them at <https://www.walkbikeevv.org/>.

Again, as you start to rack up club miles in 2024, please be sure to log your club miles. It is very easy to submit your EBC ride data. Jump out to <http://www.evansvillebicycleclub.org/>, and complete the easy

to use online form. Club members that ride at least 500 schedule club miles and/or complete 10 centuries will get a special recognition at our annual club banquet after the end of the year.

See you out there!
