Ride Schedule and Website News with Tour Director and Webmaster, Jay Vercellotti
rides @ endlessvistas.com

GPM Family/Training Ride: This month's ride will be at Garvin Park.

Olmstead Ride Mileage: The Olmstead middle route is 22 not 23 miles. This was mentioned previously, but somehow I've managed to copy and paste old info into more than one ride calendar. Any rides on that route are being counted as 22 miles.

Hosted Ride: Dan and Leandra Krueger will once again host their Nite Ride on Friday Aug. 28. Make sure to bring a head and tail light. The word on the street is that Leandra likes to cook up some treats for these rides so there should be something good to munch on afterwards.

SAG Drivers: I still need several SAG drivers for the GPM on October 4th. Trucks are best, but any sort of 4+ wheeled vehicle with a place to put bikes and people would work. You only need a minimum of bike repair knowledge since we will just have basic parts like tubes and tires. If you are interested you can email rides @ endlessvistas.com or call 454-4818.

EBC Handouts: Our new handout is finally done! I worked with Linda Clemmer to put this small tri-fold brochure together. It is just 5.5 inches tall and meant to be available to people who visit events where the EBC is involved, or any other time when people might like to know what we are all about. They will be available to see at the next club meeting. I've included some sample pictures in the next column.

Health & Safety
The EBC participates in numerous area events promoting health and safety. In recent years, we've been involved in events such as:
The Evansville Line 4 1/2 Days
T.J. Maxx Bicycle Safety
For Tech, Math, Science & Healthy Students
St. Henry's Health & Safety Fair
St. Paul's UCC Health and Safety Fair
First Christian Church Health and Safety Fair
Boy Scouts Bike Safety Rides

Agency
Cycling is very important to our members and we work to further the cause of cyclists in our area through:
Meeting with Bicycle Indiana
Attending City Council Meetings
99th Trail Building
Donating Special Needs Bicycles
Supporting Walkwork Central
Purchasing over 50 Share the Road Signs
Donating Bikes to the Evansville Boy Scouts

What is the Evansville Bicycle Club?
The Evansville Bicycle Club is a recreational organization that centers its activities around the sport of bicycling. Our membership includes over 200 individuals and families, most of whom live in the Southwinds neighborhood. The EBC has been active for over 25 years, and is a non-profit organization.

Comradery
When you ride with the EBC, you can enjoy fellow cyclists with similar abilities and make friendships that last a lifetime. If you enjoy riding by yourself, but have never ridden with a group, you may be surprised to discover the power of riding with others. It's a great way to learn and improve your cycling.

Fuel!
Our members trade energy cycling and we always find a way to keep it fun and interesting. Several times a year, we have hosted rides, with names like The Breakfast Ride, or The Pumpkin Pie Ride, where we gather to ride and then eat and socialize afterwards. These are some of the most memorable and fun rides.

Variety
We offer variety through a number of marked routes, including short and long distances. You'll be amazed at the number of excellent places to ride around Evansville. Our routes lead up to great, old, scenic, and beautiful places to ride. Also, our ride schedule includes a mix of local and regional bike tours that keep your cycling interesting.

Motivation
If you're trying to improve your fitness, there are a variety of people to help you reach that goal! Friends in the club often contact each other before a ride to see if the other person is going. You can say hi to their friends!

Also, detailed statistics are kept throughout the year, listing each member's number of miles, rides, calories, and more. This information is available to our members and on our website.

Join Us!
If you would like to learn more or join the EBC, you can find our newsletter at the local bike shops and fitness centers, or visit our website at:
<http://www.evansvillebicycleclub.org>
Membership only costs \$12 per year (\$20 for families) and your dues help support our community activities and offset club expenses.

It's a great suggestion of the Share the Road Campaign!

Get out there and ride — any distance at any speed. Just be sure to enjoy yourself along the way.
