# MARKED UP!

*Ride Schedule and Website News with Tour Director and Webmaster, Jay Vercellotti*

**Wednesday Night Circuit Rides:** For January, the circuit rides will alternate between Wesselman's Park and Garvin Park. Then in February, Wesselman's will be off the schedule for a couple months due to the coming lizard migration.

**January 1 Ride:** The Polar Bears or Sissies Ride will be held again this year. However, instead of being hosted by members, it is being hosted by the club and it will be potluck, so bring a dish or some treats! We have rented the Lock & Dam building again this year which is heated and even has bathrooms! So even if you are a sissy and think it is too cold to ride, come down and hang out with the club! For the polar bears, we will probably have the normal 27 mile route and possibly a shorter route.

**The End of the Tour:** After 6 years as Tour Director, I will be stepping down. I've enjoyed putting the schedule together since I started in 2005, but I realized I just had too many things going at once and that it was time to move on. Fortunately, Jane Buchta has volunteered to take over the position and I'm sure she

will do an amazing job. Everyone please join me in supporting her as she starts in this new adventure.

I've created a new email address for anything touring-related: [rides@evansvillebicycleclub.org](mailto:rides@evansvillebicycleclub.org). Jane will be taking over that address in February.

**Webmaster:** I will be staying on as Webmaster and I know I've been saying it for a year now, but I have big plans. By giving up the Tour Director position, I will have more time to tackle the next EBC web site upgrade. Stay tuned for more updates.

*Get out there and ride — any distance at any speed.  
Just be sure to enjoy yourself along the way.*

---

## Event Information

**Jan 1: 1:00 PM New Year's Day Ride for Polar Bears or Sissies @ Old Dam Newburgh.** Potluck—Bring a dish! This is in the heated Lock & Dam building down by the river next to where we start our Thursday morning rides. Hosted by the EBC. 27 mi (possible shorter route TBD).
