Ride Notes

February 2013

Please notice all the Wednesday night rides are all at Garvin Park now. Wesselman Park is closing the back part of the circle for an endangered salamander population in the park to cross the road for the next few months. However, the lights are also being repaired at Wesselman Park and should be functioning and much improved when the rides resume there.

NO MEETING in February. We decided that since our regular monthly meeting would fall on Valentine's Day we are not meeting in February. Enjoy the evening with your Valentine's!

We are looking for ride hosts for the spring. It isn't too early to start planning that special ride you want to host. The weather will be warm again before we know it. (Or at least I hope it will be.)

Please see the article about the Fuller Center for Housing Ride in March on the Natchez Trace. For more info go to the links in the article or contact Diane Bies. We are hoping to have a club ride trip down the Natchez Trace sometime this year also. More info on that as it comes together. Keep watching!
