Ride Notes

February 2014

Please notice all the Wednesday night rides are all at Garvin Park after the February 12 ride. Wesselman Park is closing the back part of the circle for an endangered salamander population in the park to cross the road for the next few months. Since it has been so cold they will do this a little later so we should be fine to ride there still on the 12th. Notice that the ride on the 5th is at Garvin due to our every other week rotation when we can. This is a really nice ride and a great way to get those legs moving in the middle of the work week.

NO MEETING in February. We decided that since we will have fewer regular membership meetings this year. We will keep you informed as to when the meetings will be. Watch the calendar too.

We are looking for ride hosts for the spring. It isn't too early to start planning that special ride you want to host. The weather will be warm again before we know it. (Or at least I hope it will be.)

Please see the article about the Fuller Center for Housing Ride in March on the Natchez Trace from March 14 - 23, the summer Fuller Center for Housing Ride, many weeks to choose from, and the Fuller Center Legacy Build in Louisville, KY the week of April 6 through 11. For more info go to the links in the article or contact Diane Bies. Check it all out at Fullercenter.org
