RIDE NOTES- October 2014

We are down to weekday, weekend, and Wednesday night rides. Please consider joining us on a ride of your choice soon!

BEWARE!! Because of the season change, we have also changed the start time of many of our rides. Please consult the schedule for details.

WEDNESDAY NIGHT Circuit Rides with Dinner After Ride

Circuit rides may seem boring in concept but it is really a great ride! We ride circles around the parks. The great part is that even if you can't keep up with the other riders or if you want to go a bit faster, it isn't far to the next rider at any time. You must have head lights and tail lights but they are cheap at discount stores and very reasonable at bike shops. There is minimal traffic in the parks at night also.

Please note we have added dinner after our Wednesday night rides. Everyone is welcome to join in on the ride or even just come for dinner. JOIN US FOR FUN! This is a great opportunity to enjoy the company of fellow bikers.

October 9

Evansville Bicycle Club Meeting

We meet monthly on the second Thursday of the month at Pizza Chef in Newburgh on the east side of Highway 261 between Sharon Rd. and Lincoln Ave. All members are welcome and encouraged to come. This is your club, come see what is being discussed and add your opinion. We want you!

Dinner during the meeting is an option! Why cook, just come to the meeting and eat at Pizza Chef.

October 11 and 12

Hilly Hundred Weekend

If you like hills this is the ride for you. On Saturday the route is 56 miles and only 43 on Sunday. I did look at the route and Mt. Tabor and Beanblossom hills are both on Sunday's route. What fun! Check out the website for more info! www.hillyhundred.org

October 17 and 18

Silver Comet Trail Ride Weekend

This is a new event being put on by the Fuller Center for Housing. We will get on the trail in Atlanta, GA., ride 64 or 100 miles with sag stops about every 15 or 18 miles, then camp overnight before riding back for 64 miles on Sunday.

Diane Bies is working on arrangements for Friday night lodging near the trail head. It will be cheap to free. Dinner is provided on Saturday night and Sunday breakfast. The cost is \$20 by Oct. 3 or \$30 after, plus \$100 in donations.

You also get a t-shirt included. Contact Diane Bies if you have questions. We hope to carpool and or caravan down on Friday. www.fullercenter.org/bikeadventure/silvercomet

October 25

Club NO DROP Ride

Our No Drop Rides will end for the winter after October. Please join us for a social ride from the Dogtown Boat Ramp to the bridge and back. This is a great way to promote cycling by being friendly and supportive of our guests. Be there a bit before our 9:00 start time, please. Bring your friends and children! This is a fun ride.

Stay around for the additional 23 mile ride if you can.

Wear your EBC Jersey on Sunday Club Rides

Remember to wear your EBC jersey on Sundays if possible! If you still need one, we have them available. Club Jerseys In Stock – contact Diane Bies through the EBC Connections page. Just tag her on a post or catch her at a ride. Short Sleeved Jersey's \$60, Sleeveless Jersey \$60 (limited quantities), Long Sleeved \$65, and Bike Shorts \$50. We have both women's and men's in stock.

Hosted Rides

Ride Hosts needed. Anyone interested in hosting a ride, please contact Diane Bies, at Biesdi@aol.com to get the ride on the calendar. It would be great to have more hosted rides. They are fun to sponsor and fun to ride. If possible, please contact Diane by the middle of the preceding month so the calendar can be built around your ride.

Watch for Ashley's Ride on Nov. 16 and the Pumpkin Pie Ride on Nov. 22.

Don't let a little cool weather keep you off your bike! There are several club members who ride all winter and survive even the coldest nastiest weather. Actually the fall is the best time to ride as the leaves are beautiful and the air is clear and so much easier to breathe! Just ask anyone at a ride if you need help with how to dress and what gear you need. Think in layers and you should be fine.

No matter how far, no matter how fast, KEEP ON RIDING!!!
