Ride Notes

Please note for the month of November there are several changes!

We have **added an afternoon ride on Wednesday** at 1:00 in addition to the Monday and Friday rides for the winter months. Mondays are at the 4-H center, Wednesdays are at Elite Fitness, and Fridays are at Olmstead. Please join us for some fun in the sun or at least usually the warmest part of the day.

Also, our Saturday rides are now usually held at Elite Fitness on Kansas Rd. Actually they start at the access road just north of Elite and off of Seib Rd.

There is **NO CLUB MEETING THIS MONTH** on Thursday November 13. We will meet in December on the second Thursday, December 11.

On **Sunday November 16** we have the Ashley's Menagerie ride from the home of Gary and Opal Gardner. This is a fun challenging 29 mile ride although there is also a 12 mile option for those who don't want to brave the cold so long or are up for a shorter ride. This is a great opportunity to visit in the cooler month of November over some delicious food after the ride!

As always in November we have the Pumpkin Pie ride coming up on **Saturday November 22** at Mark and Debbie Oliver's home. This promises to be a fun and well attended ride. Mark your calendar now! Lots of fun and good food for all!

On **Friday November 28** we will also have our annual Day After Thanksgiving Day ride. It is held at Dogtown Boat Ramp on Old Henderson Rd. What a great way to get out and work off that feast you over ate on Thanksgiving Day!

Then on **Sunday November 30** you will have another opportunity to enjoy some good food and a fun ride with friends at the Harvest Home Ride. Bill and Kathy Voegel are hosting a ride from the home where Kathy grew up. They are currently fixing it up to sell it soon. This will be a fun time with some fall activities and great food.

Come out to join us on **Wednesday nights** after work for circles in the park. It is really a fun ride as there are fun people there to visit with, the air is crisp and refreshing, and you can stop at your car as needed to add or remove layers if you don't dress quite right. It only lasts an hour!! After that hour of fun riding some of the riders go to dinner together and visit and share stories at a restaurant chosen by those who are riding and eating. You must have lights but they can be purchased very reasonably at the bike shops or even the discount stores. Come check it out! You can't get lost and if you get dropped or want to ride faster, you are never far from the other riders.

Most of all **KEEP RIDING!!** If you add a few layers, riding in the winter is really fun! If you want to know what you need to wear, ask any of us "crazies" out riding on the cooler days, we will be happy to share our thoughts and recruit others to ride through the winter too!
