On Saturday, June 27, we offer the annual ride to New Albany. You must have your own sag to get back to Evansville after the ride. This is a great training ride for those who are doing RAIN in July this year or others who are just looking for a challenge. It is a very hilly 122 mile ride.

On Saturday, June 27, at night there is the N.I. T. E. ride in Indianapolis. This is a fun ride in the city at night under the stars. It is very safe with much police support at the intersections as well as at the beginning and end of the ride. There is a pasta dinner after the ride. The event starts and ends at the Indiana State Fair Grounds this year on the NE side of Indianapolis. More information at [niteride.org](http://niteride.org)

On Sunday, June 28, we are having the club's first "Ride to Remember". It is a Ride of Silence for Joan Baehl. While Joan did not die on her bicycle, nor was a vehicle involved, we want to remember her and the spot of her accident which proved to be fatal to her. We will ride in silence in mass at about 8 to 10 mph to the site of her accident about 6 miles out. We will stop there for a few words and reflections. Then everyone is welcome to finish the Sunday ride distance and speed as they choose. Please come support us as we remember this very special member, biker, friend, lady. More details in the newsletter article.
