December 2015 RIDE NOTES

December promises to be a bit more brisk weather than in the summer but we have plenty of fun opportunities to ride.

Our monthly club meeting is scheduled for Thursday December 10 at 6:30 at the Pizza Chef in Newburg. This is your club. Please come to the meeting and offer your input. We are discussing ideas on how to allow mileage for 2016. There will be discussion on what rides should count for credit and some adjustment on other issues. Please come at 6:00 for social time and the meeting to start at 6:30.

Remember we have added weekday rides on Monday, Wednesday, and Friday afternoons at 1:00. These rides are in the warmer part of the day. Check out the schedule and come join the fun.

The Club Century is scheduled for December 3 and 5. We will be doing the Folsomville Route or the Touring Route.

Wednesday night rides will all be at Wesselman Park this month due to the Festival of Lights at Garvin Park. Dinner after the ride is a fun incentive to get out on a cold night. Join us, even if only for a beverage. This ride is for one hour (6:00 - 7:00 pm) on the very flat road at Wesselman Park. There is minimal traffic. Bring your lights and come well dressed, layers! Riding at night can be very refreshing and invigorating, especially in the middle of the week.

We have a special ride on Friday January 1 at 1:00 pm. Come celebrate New Year's Day. The ride will be at the home of Diane Bies at 624 Greengate Ct. Please come join the fun. We will eat around 2:30 for those who want to just come for the party. The mileage will be around 24 miles with an option for a shorter route maybe. Keep your eyes open as an email blast will be sent out if this changes. It will also be on the EBC Connections Facebook page.

Remember to mark your calendar now for the Annual EBC Banquet to be held on Saturday January 23 at Kirby's fine dining.

Hope to see you out on the road finishing up any personal goals for 2015. You can do it!

I am way behind due to too much traveling, but it has been a lot of fun!

Remember, it is never too early to start working on 2016. Come out on January 1 for a great hosted ride!
