May 2016 -- Ride Notes

May is National Bicycle Month

May 16 through May 20 is **Bike to Work Week** with a special focus on Friday May 20 as **Bike to Work Day**.

So much to do this month!! Please look at the calendar in detail. There are a lot of changes to the schedule start times and the ride locations have moved some as well. Notably the Saturday ride is now at Dogtown for the summer, the Wednesday night rides are starting at the Shirley James Gateway Plaza which is the parking lot alongside the Lloyd Expressway just west of Fulton Avenue. All evening rides start at 6:00 pm. Sunday afternoons now start at 3:30 pm. Thursday night rides are at Mesker Park this month.

Our annual **RIDE OF SILENCE** is to be held on Wednesday May 18 at the State Hospital Grounds off of Lincoln Avenue. This ride starts at 6:00. Please arrive early to line up and hear announcements before leaving with our police escort. Bring all your friends with bicycles. This is a very slow, quiet ride. It is to remember all who have been injured or killed while cycling on public roads.
