May 2018 -- Ride Notes

May is National Bicycle Month

May 14 through May 18 is **Bike to Work Week** with a special focus on Friday May 18 as **Bike to Work Day**.

So much to do this month!! Please look at the calendar in detail. There are a lot of changes to the schedule start times and the ride locations have moved some as well. Notably the Saturday ride is now at Dogtown for the summer with a sprinkling of TDE rides in the morning causing the afternoon ride to move around, the Wednesday night rides are starting at Garvin Park still. We will ride the Greenway when there is no flooding. If you are late we usually start by riding south so come on and join us as we return. All evening rides start at 6:00 pm., with the exception of the Wednesday night ride at the 4-H Center which remains as 5:30 for the extra miles and darkness issues. Sunday afternoons now start at 3:30 pm. Thursday night rides are at Mesker Park this month.

Our annual **RIDE OF SILENCE** is to be held on Wednesday May 16 at the State Hospital Grounds off of Lincoln Avenue. This ride starts at 6:00. Please arrive early to line up and hear announcements before leaving with our police escort. Bring all your friends with bicycles. This is a very slow, quiet ride. It is to remember all who have been injured or killed while cycling on public roads.
