## **RIDE NOTES- October 2020**

We are down to weekday, weekend, and Wednesday night rides. Please consider joining us on a ride of your choice soon!

**BEWARE!!** Because of the season change, we have also changed the start time of some of our rides. Please consult the schedule for details.

### **WEDNESDAY NIGHT Circuit Rides**

Circuit rides may seem boring in concept but it is really a great ride! We ride circles around the parks. The great part is that even if you can't keep up with the other riders or if you want to go a bit faster, it isn't far to the next rider at any time. You must have head lights and tail lights but they are cheap at discount stores and very reasonable at bike shops. There is minimal traffic in the parks at night also.

JOIN US FOR FUN! This is a great opportunity to enjoy the company of fellow bikers.

### **SATURDAY MORNING RIDES**

We have consistently had a great group of riders out on Saturday mornings at Dogtown. The riders have been congregating after the ride for some fellowship in the parking lot. Come join the ride and bring a lawn chair to visit in after the ride. There have been sweet treats on a regular basis provided by Lisa Corcoran. YUM! Thanks Lisa!

### **October 8**

#### **Evansville Bicycle Club Meeting**

We meet monthly on the second Thursday of the month currently at the shelter house in Wesselman Park. All members are welcome and encouraged to come. This is your club, come see what is being discussed and add your opinion. We want you! Bring a chair and your mask. Please continue social distancing.

### **October 10**

#### **Two out of town rides are happening.**

The Red Bud Ride is in London, Kentucky. It is usually held in April but was postponed to October this year. The routes are very nice and the ride is well supported with great rest stops. Go ride Tussy! You won't forget her.

The Crane Cruise, in Medaryville, IN was always scheduled for this date. There is no registration fee. Only an optional goodwill offering is suggested if you wish. I have never ridden this one but it promises to be fully supported as Indiana moves to Stage 5 in our Covid opening.

### **October 22 and 24**

October **Club Century** Days are late this month. Note these rides start at 8:00 due to later sunrise. The route this month is the Poseyville Century or the Touring Century.

### **October 31**

#### **Halloween**

Have fun, but be safe, if you want to wear a costume to the ride. Be sure all costumes are bike friendly please!

**Don't let a little cool weather keep you off your bike! There are several club members who ride all winter and survive even the coldest nastiest weather. Actually the fall is the best time to ride as the leaves are beautiful and the air is clear and so much easier to breath! Just ask anyone at a ride if you need help with how to dress and what gear you need. Think in layers and you should be fine. No matter how far, no matter how fast, KEEP ON RIDING!!!**

### **Wear your EBC Jersey on Sunday Club Rides**

Remember to **wear your EBC jersey on Sundays** if possible!
