We often eat out after Monday and Wednesday night rides.</p>

Ride Notes March 2022

EBC Club Meeting Thursday March 10 at Roca Bar on South Kentucky Ave.

EFFECTIVE MARCH 13 DAYLIGHT SAVINGS TIME IS BACK!!!

Monday evening rides at the 4-H Center are back on the calendar with Daylight Savings Time. This ride will be at **5:30** so we can finish before dark.

Tuesday evening rides at Olmstead are also back. These are only 17 mile rides for March and will start at **5:30** also. Safety is a concern!

Wednesday fast rides at 4-H are also back. These start at 5:30 for 15 miles this month.

Wednesday night rides at Garvin Park Consider coming early if you want extra miles. You can earn up to 20 miles on these circuit rides in the park. We are staying in the park due to potential flooding on the Greenway. Lights are no longer required after the time change as we should be in by dark at 7:00.

Thursday mornings at Mesker are back. We have spent the last two months at Newburgh on Thursday mornings because the roads there are cleared in the winter better than the west side ones. However, we are assuming winter is passed and going back to rotating the Thursday morning rides between the Old Dam and Mesker Park.

Thursday night rides at Newburgh Old Dam is a new addition. Again only the 17 mile route is on the schedule for a 5:30 start.

Sunday afternoon rides are back to starting at 2:00 after the time change. It starts at 1:00 the first Sunday in March only.

Wear your green on Thursday **March 17** or risk being pinched. Happy **St. Patty's Day!**

No Full Moon ride this month. The full moon rises after 8:00 on a Friday night at the beginning of spring break. We will hopefully have better timing in April.

The Club Centuries are also back on the schedule!!! We are riding the Tennyson Century or a Touring Century this month on Thursday March 24 and Saturday March 26. Meet up at Crossroads Church at 8 AM for a fun day on the bike.

GET OUT AND RIDE!!

DAYLIGHT SAVINGS TIME STARTS MARCH 13. SPRING ARRIVES ON MARCH 20.

Again, be aware of water across the roadway. Do not enter deep water as it may take you down. Watch out for chuck holes too! They could be lurking, very deep, under that harmless looking puddle.
