RIDE NOTES- October 2022

The Great Pumpkin Metric is coming!!! Be at the 4-H center on Sunday October 2. We can always use an extra hand. Helpers needed all day or any part of the day from about 7 am to 4 pm. Thanks! Encourage your friends to come out and ride!

We are down to weekday, weekend, and Wednesday night rides. Please consider joining us on a ride of your choice soon!

BEWARE!! Because of the season change, we have also changed the start time of some of our rides. Please consult the schedule for details.

WEDNESDAY NIGHT Circuit Rides

Circuit rides may seem boring in concept but it is really a great ride! We ride circles around the parks. The great part is that even if you can't keep up with the other riders or if you want to go a bit faster, it isn't far to the next rider at any time. You must have head lights and tail lights but they are cheap at discount stores and very reasonable at bike shops. There is minimal traffic in the parks at night also.

JOIN US FOR FUN! This is a great opportunity to enjoy the company of fellow bikers.

SATURDAY MORNING RIDES

These rides start at 10:00 this month forward through the winter. The mornings will be cooler so we start a little later. We have consistently had a great group of riders out on Saturday mornings. The riders have been congregating after the ride for some fellowship and lunch at the designated restaurant where we start. Come join the ride and plan to visit after the ride.

October 8 SATURDAY Morning:

This is the date for the Cover Gibson County Habitat Ride in Princeton, IN. This ride starts at 8:00 AM and replaces our local morning ride for this morning. Read about it and register at <https://forms.gle/pmK2ta6wa2yymxyu5>

October 8 SATURDAY Evening:

This is also the date for the October Full Moon Ride. The real full moon will be on Sunday October 9 but it will be plenty full to ride by on Saturday night instead. The ride starts at 6:30 pm. Sunset is at 6:22 and the moon is scheduled to rise at 6:18. Come ride by the light of the moon. Headlights and taillights are required! There will be refreshments after the ride. This is a no drop ride. Everyone is encouraged to come. No one will be left behind!

October 13

Evansville Bicycle Club Meeting

We meet monthly on the second Thursday of the month at Roca Bar on S. Kentucky Ave., between Riverside and Covert. All members are welcome and encouraged to come. This is your club, come see what is being discussed and add your opinion. We want you!

Dinner before the meeting is an option! Why cook, just come to the meeting and eat at Roca Bar. They have great food!

Social time/food starts at 6:00. Meeting starts at 6:30

October 20 and 22

October **Club Century** Days are Thursday Oct. 20 and Saturday October 22. Note these rides start at 8:00 due to later sunrise. The route this month is the Poseyville Century or the Touring Century.

October 20, 21, and 22

Hilly Hundred Weekend

If you like hills this is the ride for you. On Saturday the route is approx. 56 miles and approx. 43 on Sunday. What fun! Check out the website for more info! [Hilly Hundred](#)

October 31

Halloween

Have fun, but be safe, if you want to wear a costume to the ride. Be sure all costumes are bike friendly please!

Don't let a little cool weather keep you off your bike! There are several club members who ride all winter and survive even the coldest nastiest weather. Actually the fall is the best time to ride as the leaves are beautiful and the air is clear and so much easier to breath! Just ask anyone at a ride if you need help with how to dress and what gear you need. Think in layers and you should be fine. No matter how far, no matter how fast, KEEP ON RIDING!!!

Remember to **wear your EBC jersey on Sundays** if possible!
