## **November 2022 Ride Notes**

Our **Saturday morning rides** are all starting at 9:00 AM at Elite Fitness on Kansas at Old Highway 57. We actually park off the frontage rd off of Seib Rd. just north of the old Elite Fitness building on Kansas Rd..

**Saturday afternoon rides** are now starting at **12:30 PM** at the taverns we were frequenting in the mornings. Please look at the calendar as the location changes weekly.

**November 8 Tuesday** is the **Full Moon Ride** at **5:30 PM** at Olmstead. Must have lights! Moon Pies may be there. This is a slow ride where no one gets left behind.

**CLUB MEETING THIS MONTH** Happens on **Thursday November 10** at the usual Roca Bar at 6:00 for food and social and 6:30 for the meeting.

The **club century** for November is happening on **Thursday November 17** and **Saturday November 19**. The route on the calendar is the Santa Claus route starting at Crossroads Church at 8:00 AM.

On **Friday November 25** we will have our annual **Day after Thanksgiving Day ride**. It is held at **Dogtown Boat Ramp** on Old Henderson Rd. What a great way to get out and work off that feast you over ate on Thanksgiving Day!

Come out to join us on **Wednesday nights** after work for circles in the park at 6:00 PM. We ride for an hour and or up to 20 miles. It is really an enjoyable ride as there are fun people there to visit with, the air is crisp and refreshing, and you can stop at your car as needed to add or remove layers if you don't dress quite right. It only lasts an hour!! (or if you want to come early or stay late for your full 20...) You must have lights but they can be purchased very reasonably at the bike shops or even the discount stores. Come check it out! You can't get lost and if you get dropped or want to ride faster or slower, you are never far from the other riders. Come join us for some fun. NOTE: These rides rotate between Garvin and Wesselman Park until Festival of Lights parks us at Wesselman through the New Year.

**Most of all KEEP RIDING!! If you add a few layers, riding in the winter is really fun!** If you want to know what you need to wear, ask any of us "crazies" out riding on the cooler days, we will be happy to share our thought. It is really all about the layers. All things should be in layers, not necessarily heavier or warmer, just lots of layers everywhere.

**Please note: not all of our riders are super fast! Please consider joining a ride, especially on Saturday afternoon or Sunday afternoon or even Tuesday mornings. Those rides are very popular and have a variety of riders at different paces. Someone will ride your pace with you!**
